Et attendu que c'est Notre Volonté et Plaisir que de nouvelles stipulations soient faites pour la reconnaissance de tels services spéciaux rendus en soignant les malades et blessés de Notre armée et de Notre marine, |

En conséquence Nous déclarons par le présent que les règles et ordonnances jusqu'ici en force pour la régie de la dite décoration seront abrogées, annulées et annulées et il Nous plaît de faire, ordonner et établir, pour les remplacer, les règles et ordonnances suivantes, lesquelles seront désormais inviolablement observées et gardées.

Au revers la Couronne et le chiffre Royal et Impérial figureront en relief au centre.

La seconde classe consistera en une croix de même forme et grandeur que celle de la première classe, mais sera en argent mat et portera, superposée, une croix de malte en émail rouge, n'excédant pas la moitié de ses dimensions; au centre, en relief, l'effigie Royale et Impériale. Au revers seront inscrits sur les bras de la croix les mots "Faith, Hope, Charity," et la date de l'institution de la décoration originale et le centre portera en relief la Couronne et le chiffre Royal et Impérial.

*Troisièmement.*—La décoration peut être portée par la Reine régnante, la Reine consort, ou la Reine donataire du Royaume-Uni de la Grande-Bretagne et d'Irlande; et Nous nous réservons à Nous, Nos héritiers et successeurs de conférer la Décoration à aucune des princesses de la Famille royale de la Grande-Bretagne et d'Irlande, ainsi qu'aux reines ou princesses des pays étrangers qui se seront spécialement employées à pourvoir aux soins des malades et des blessés des armées et marines étrangères.

*Quatrièmement.*—Nous nous réservons à Nous, Nos héritiers et successeurs plein pouvoir de conférer l'une ou l'autre classe de cette Décoration à tout membre des services hospitaliers sans restriction de rang, ou à toutes autres personnes, sujettes ou étrangères, remplissant des fonctions hospitalières qui pourront être signalées à Notre attention par Notre Secrétaire d'Etat pour la guerre ou par le Premier Lord de l'Amirauté, suivant le cas, pour le dévouement et les capacités spéciales qu'elles auront montrés dans leurs devoirs hospitaliers à Notre armée en campagne et dans Nos hôpitaux militaires et maritimes.

*Cinquièmement.*—Le nombre distribué dans la première classe de la Décoration n'excèdera pas deux pour cent du nombre total des hospitalières et le nombre distribué de la seconde classe de la Décoration n'excèdera pas cinq pour cent du nombre total des hospitalières, la répartition devant être proportionnée au personnel de chacun des services hospitaliers, pourvu néanmoins qu'il soit réservé à Nous, Nos héritiers et successeurs de faire telles additions, dans des circonstances exceptionnelles, que Nous jugerons appropriées.

*Huitièmement.*—Nous nous réservons à Nous, Nos héritiers et successeurs, plein pouvoir de conférer l'une ou l'autre classe de la Décoration à toutes dames, qu'elles soient sujettes ou étrangères, qui pourront être recommandées à Notre Attention par Notre Secrétaire d'Etat pour la guerre, comme ayant volontairement assumé la charge d'établir, conduire ou d'aider dans les hôpitaux au traitement des soldats et marins malades et blessés de Notre

armée et de Notre marine ou de Nos forces militaires indiennes ou des forces navales et militaires de nos colonies autonomes au delà des mers, ou comme ayant rendu des services importants en dedans ou en dehors des frontières avec la Croix Rouge ou autres sociétés semblables ou comme ayant rendu autrement d'éminents services en soignant des soldats et marins de Notre armée et de Notre marine, malades et blessés; et il est maintenant ordonné que toutes les personnes nommées en vertu de cette clause seront considérées comme Membres Honoraires ou Associés et leurs nominations seront additionnelles à l'établissement ordonné par la clause cinq de Notre présent Décret Royal.

*Neuvièmement.*—Les noms de ceux auxquels il Nous plaira de conférer la Décoration seront publiés dans la *London Gazette* et leur inscription en sera gardée dans le Ministère de Notre Secrétaire d'Etat pour la guerre.

*Dixièmement.*—En vue de prendre telle mesure additionnelle pour conserver efficacement pure cette honorable distinction, il est ordonné que si une personne à laquelle telle distinction aura été conférée en devenant indigne par sa conduite, son nom sera rayé du registre de ceux à qui la dite Décoration aura été conférée par un ordre sous le seing manuel du Souverain. Et il est maintenant déclaré que Nous, Nos héritiers et successeurs seront les seuls juges de la conduite qui pourra nécessiter la radiation du nom de la personne coupable sur le registre et qu'en tout temps Nous nous réservons, à Nous, Nos héritiers et successeurs, d'y réinscrire le nom si telle réinscription est justifiée par les circonstances.

*Finalement.*—Nous nous réservons, à Nous, Nos héritiers et successeurs plein pouvoir d'annuler, altérer, abroger, augmenter, interpréter ou de Nous dispenser des présents règlements, ou de toute partie d'iceux par un avis sous le seing manuel du Souverain.

DONNÉ à Notre Château de Saint-James, ce dixième jour de novembre 1915, dans la sixième année de Notre règne.

## HOTEL DU GOUVERNEMENT À OTTAWA.

Mardi, le 25e jour de janvier 1916.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR  
GÉNÉRAL EN CONSEIL.

Un comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 14 janvier 1916, représentant que la compagnie dite "Canadian Northern Alberta Railway Company, Limited," a demandé un permis d'occupation de certaines terres fédérales dans la province d'Alberta, soit une partie du lit de la rivière Athabaska, située dans la moitié nord de la section 1, township 51, rang 26, à l'ouest du 5e méridien, et décrite plus minutieusement ci-dessous, pour y construire et entretenir un pont de chemin de fer traversant la dite rivière.

Le Ministre ajoute :

Que par un arrêté en conseil daté le 30 août 1913 le Ministre des Travaux publics a été autorisé à approuver le plan du dit pont, subordonné à certaines conditions, dont l'une était que la dite compagnie devait obtenir du Département de l'Intérieur le permis nécessaire d'occupation du lit de la dite rivière pour les fins mentionnées ;

Que par un arrêté en conseil du 29 octobre 1913 le Ministre de l'Intérieur a été autorisé à délivrer à la dite compagnie un permis d'occuper les dits terrains pour une période de dix ans, le permis étant renouvelable à certaines conditions ;

Que le dit permis d'occupation n'a pas été émis et que depuis qu'a été adopté le dernier arrêté en conseil le Département de l'Intérieur a eu pour coutume uniforme, dans les cas où il est nécessaire d'occuper le lit des rivières pour la construction de ponts de chemins de fer, de donner à ce permis la durée nécessaire pour l'entretien du pont en question en rapport avec l'exploitation du chemin de fer concerné ;

A ces causes, le Ministre demande l'autorisation de délivrer un permis d'occupation à la compagnie dite "Canadian Northern Alberta Railway Company, Limited," d'une partie du lit de la rivière Athabaska, décrite comme suit :

Le terrain formant partie du lit de la rivière Athabaska, situé dans la moitié nord de la section 1 du township 51, rang 26, à l'ouest du 5e méridien, dans la province d'Alberta, ainsi qu'indiqué sur un plan du dit township approuvé et confirmé par E. Devile, arpenteur général des terres fédérales, à Ottawa, le 23 décembre 1912, lequel terrain peut être décrit plus minutieusement comme suit :—

Borné à l'est et l'ouest par les rives droites et gauches, respectivement, de la rivière Athabaska; au nord et au sud par des lignes parallèles à une ligne et son prolongement et éloignées de 100 pieds chaque côté de cette ligne, qui étant la ligne centrale du chemin de fer susdit, intersecte les dites rives et se prolonge dans une direction suivant un relèvement astronomique de 65 degrés sud et 25 minutes ouest par un point situé 1379.4 pieds, plus ou moins, nord, et 2130.8 pieds, plus ou moins, à l'ouest de l'angle sud-est du quart nord-est de la dite section 1; le dit terrain contient une superficie de 2.7 acres, plus ou moins, et est coloré rose sur le plan ci-annexé.

Le dit permis d'occupation sera pour telle période pendant laquelle le pont sera requis en rapport avec l'exploitation du chemin de fer ; le loyer annuel sera de \$1 par année ; le permis, quant à la construction et à l'entretien du pont est subordonné à la condition que la compagnie observera strictement les prescriptions de la *Loi de protection des eaux navigables*.

Le comité agréé ce qui précède et le soumet pour approbation.

Greffier du Conseil privé.

## HOTEL DU GOUVERNEMENT À OTTAWA.

Vendredi, le 14e jour de février 1915.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR  
GÉNÉRAL EN CONSEIL.

Il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter que les règlements pour l'arpentage, l'administration et la concession des terres fédérales dans la zone des chemins de fer de 40 milles dans la province de la Colombie-Britannique, soient par ces présentes modifiés comme suit :—

Les paragraphes "a" et "b" de l'article 19 de l'arrêté en conseil du 17 septembre 1889, sont par ces présentes rescindés et les dispositions suivantes leurs sont substituées :

(19. (a) La demande d'inscription de homestead par procuration peut être faite par une personne qui fait la demande en faveur d'un époux, d'un père, d'une mère, d'un fils, d'une fille, d'un frère ou d'une sœur, quand cette personne est dûment autorisée de le faire, et dans la forme prescrite. Dans ce cas le mandataire se présentera en personne devant l'agent des terres fédérales du district où est situé le terrain demandé. La demande d'inscription par procuration ne doit pas être agréée par un sous-agent. L'inscrit au nom duquel est faite cette inscription doit se présenter personnellement à l'agent du district (et non au sous-agent) dans les six mois de la date de l'inscription et faire une déclaration satisfaisante qu'il résidait sur le terrain ou qu'il a l'intention d'y résider et, dans ce cas, qu'il y résidera avant l'expiration des six mois. A défaut de se présenter à l'agent, celui-ci annulera l'inscription sans avis à l'expiration des six mois de la date de l'inscription. Aucun prolongement du délai ne sera accordé dans le cas d'inscription par procuration. Les dispositions de ce paragraphe seront rétroactives de manière à s'appliquer à toute inscription par procuration avant la mise en vigueur du présent arrêté.

Nonobstant toute stipulation du présent arrêté, si quelqu'un qui appartient à un corps quelconque servant dans les armées de la Grande-Bretagne ou d'un de ses alliés pendant la guerre européenne actuelle obtient par procuration l'inscription de homestead sur des terres fédérales, cette inscription, qu'elle ait été obtenue avant ou après la date où l'inscrit s'est enrôlé ou a été rappelé du service militaire actif, aura la même préséance et sera traitée de la même manière que si elle avait été faite en personne au lieu de l'avoir été par procuration ; et la personne au nom de laquelle cette inscription par procuration a été faite jouira des privilèges accordés par les arrêtés en conseil du 17 octobre 1914, 19 juin 1915 et 6 janvier 1916, en autant que ces arrêtés lui seraient applicables si son inscription avait été faite en personne.

Rien dans ces règlements ne sera censé conférer un droit quelconque à un inscrit qui, s'étant enrôlé dans le service militaire actif comme susdit, a négligé d'aviser l'agent des terres fédérales du district dans lequel le terrain est situé du fait qu'il s'était ainsi enrôlé, en temps opportun pour permettre à l'agent de noter le fait dans les livres afin d'empêcher l'annulation de l'inscription par procuration parce que l'inscrit ne s'est pas présenté avant l'expiration des six mois de la date de l'inscription.

Rien dans ces règlements ne sera censé conférer un droit quelconque dans le cas d'une inscription par procuration qui a déjà été annulée parce que l'inscrit ne s'est pas présenté à l'agent comme le prescrivent les dispositions de l'arrêté en conseil du 26 août 1908.

Dans tous les cas où l'annulation a déjà été faite conformément aux stipulations de l'arrêté en conseil ci-dessus mentionné, le Ministre de l'Intérieur peut rétablir cette inscription s'il constate que le terrain concerné est encore vacant et disponible, et dès que cette inscription sera renouvelée elle deviendra sujette aux dispositions du présent arrêté en conseil.

Greffier du conseil privé.

Samedi, le 22e jour de janvier 1916.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR  
GÉNÉRAL EN CONSEIL.

ATTENDU que les Commissaires du district scolaire n° 3028 de la province de la Saskatchewan ont demandé la permission d'acheter quatre acres de terrain sur la borne nord du quart nord-est de la section 29, township 21, rang 22, à l'ouest du 3e méridien, pour l'emplacement d'une école, et aussi d'acquérir une lisière de terrain de trente-trois pieds de large sur la borne nord du quart de section entre l'emplacement de l'école et la réserve de chemin, ainsi qu'indiqué sur le tracé ci-joint, pour un chemin qui donnera accès au terrain de l'école ;

Et attendu qu'en vertu des dispositions de la *Loi des terres fédérales* le Ministre de l'Intérieur peut vendre par vente privée aux commissions scolaires le terrain requis pour des emplacements d'école dans les sections scolaires ou pour des fins qui s'y rapportent, pourvu que la demande des commissaires soit approuvée par le Ministre ou le sous-ministre de l'Education de la province où le terrain est situé ;

Et attendu que dans le cas présent la demande des commissaires a été dûment approuvée par le sous-ministre de l'Education de la province de la Saskatchewan et que le terrain requis pour l'emplacement de l'école, comprenant quatre acres, a été en conséquence vendu à la commission scolaire conformément aux dispositions de la *Loi des terres fédérales* ;

Et attendu que la *Loi des terres fédérales*, ne contient aucune disposition concernant la vente, dans les sections scolaires, de terrains requis pour des chemins et que les commissaires ont été avisés que tout ce qui pouvait être fait était de réserver par arrêté en conseil la lisière de terrain de trente-trois pieds de large requise pour un chemin public le long de la borne nord du quart de section entre l'emplacement de l'école et la réserve de chemin sur la borne est de la dite section ;

Et attendu que la *Loi des terres fédérales* prescrit aussi que tous les terrains vendus aux commissions scolaires pour emplacements d'école doivent être adjacents à une réserve de chemin, et qu'il est nécessaire, par conséquent, d'ouvrir un chemin pour donner accès à ce terrain,—

A ces causes, il plaît à Son Altesse Royale le Gouverneur général en conseil d'autoriser par ces présentes la mise en réserve, durant le bon plaisir du Gouverneur général en conseil, d'une lisière de terrain d'une demi-chaine de large sur la borne nord du quart nord-est de la section 29, township 21, rang 22, à l'ouest du 3e méridien, située entre l'emplacement de l'école et la réserve de chemin sur la borne est de la dite section, ainsi qu'indiqué sur le tracé ci-joint, afin de donner accès au terrain de l'école.

ATTENDU que par un arrêté en conseil daté le 26 août 1908 certains règlements ont été adoptés au sujet de la concession de homesteads par procuration sur les terres fédérales ;

Et attendu que ces règlements stipulaient que l'inscrit au nom duquel avait été faite cette inscription par procuration devait se présenter personnellement à l'agent des terres fédérales dans les six mois de la date de l'inscription et faire une déclaration satisfaisante qu'il résidait sur le terrain ou qu'il y résiderait avant l'expiration des six mois. A défaut de se présenter à l'agent, celui-ci devait annuler l'inscription sans avis, à l'expiration de six mois de la date de l'inscription,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter que les règlements concernant les inscriptions de homestead par procuration, établis par le dit arrêté en conseil du 26 août 1908, soient par ces présentes modifiés comme suit :—

Nonobstant toute stipulation de l'arrêté en conseil du 26 août 1908, si quelqu'un qui appartient à un corps quelconque servant dans les armées de la Grande-Bretagne ou d'un de ses alliés pendant la guerre européenne actuelle obtient par procuration l'inscription de homestead sur des terres fédérales, cette inscription, qu'elle ait été obtenue avant ou après la date où l'inscrit s'est enrôlé ou a été rappelé du service militaire actif, aura la même préséance et sera traitée de la même manière que si elle avait été faite en personne au lieu de l'avoir été par procuration ; et la personne au nom de laquelle cette inscription par procuration a été faite jouira des privilèges accordés par les arrêtés en conseil du 8 mai, du 20 septembre et du 9 décembre 1915, en autant que ces arrêtés lui seraient applicables si son inscription avait été faite en personne.

Rien dans ces règlements ne sera censé conférer un droit quelconque à un inscrit qui, s'étant enrôlé dans le service militaire actif comme susdit, a négligé d'aviser l'agent des terres fédérales du district dans lequel le terrain est situé du fait qu'il s'était ainsi enrôlé, en temps opportun pour permettre à l'agent de noter le fait dans les livres afin d'empêcher l'annulation de l'inscription par procuration parce que l'inscrit ne s'est pas présenté avant l'expiration des six mois de la date de l'inscription.

Rien dans ces règlements ne sera censé conférer un droit quelconque dans le cas d'une inscription par procuration qui a déjà été annulée parce que l'inscrit ne s'est pas présenté à l'agent comme le prescrivent les dispositions de l'arrêté en conseil du 26 août 1908.

Dans tous les cas où l'annulation a déjà été faite conformément aux stipulations de l'arrêté en conseil ci-dessus mentionné, le Ministre de l'Intérieur peut rétablir cette inscription s'il constate que le terrain concerné est encore vacant et disponible, et dès que cette inscription sera renouvelée elle deviendra sujette aux dispositions du présent arrêté en conseil.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 31 janvier 1916, représentant qu'en vertu des dispositions d'un arrêté en conseil daté le 28 janvier 1915, le troupier Lorn Mulloy, maintenant le professeur Mulloy, de Kingston, Ontario, qui pour ses services dans le Sud-Africain a obtenu le mandat numéro 6003 sous l'empire de la *Loi autorisant une gratification aux volontaires qui ont servi la Couronne dans le Sud-Africain* a été autorisé, dès qu'il aura remis au Département le mandat en question ou un bon d'indemnité, dans le cas où il ne pourrait produire le mandat, ainsi que la preuve satisfaisante qu'il n'a pas fait cession du mandat, de choisir au cours de l'année 1915 deux quarts de section adjacents disponibles pour l'inscription de homestead, qui lui seraient vendus au prix d'un dollar l'acre en pleine compensation du titre que lui donne le mandat numéro 6003, dont il n'a pu retirer aucun profit, étant incapable à cause des blessures reçues en service actif pendant la campagne sud-africaine, qui ont résulté en une cécité complète, de se conformer aux conditions de résidence et de culture requises en rapport avec ces concessions de terrain.

M. Mulloy, qui a déposé les documents nécessaires concernant la perte du mandat, ainsi qu'un bon d'indemnité, n'a pas choisi dans le temps spécifié le terrain qu'il désire acheter et a demandé un prolongement de délai.

Le Ministre est d'avis que cette demande devrait être accordée et il recommande que M. Mulloy, dont tout le nom est Lorne W. R. Mulloy, puisse choisir deux quarts de section adjacents de terres fédérales disponibles pour l'inscription de homestead dans les provinces de Manitoba, Alberta ou Saskatchewan, et que dès qu'il aura avisé le Département de l'Intérieur de son choix au cours de la présente année 1916, le terrain ainsi choisi lui soit vendu au prix de \$1.00 l'acre en pleine compensation du mandat numéro 6003 ci-dessus mentionné.

ATTENDU que dans l'administration au Canada du corps expéditionnaire canadien d'outre-mer ont surgi de graves difficultés et de nombreuses inexécutions de justice du fait que dans maints cas les absents de ce corps ne se sont pas rendus ou n'ont pas été appréhendés avant que leurs effectifs respectifs s'embarquent pour le service d'outre-mer,—

Et attendu que les témoins pouvant attester l'absence, etc., sont aussi partis, il est difficile, sinon impossible, d'établir une preuve suffisante pour assurer la condamnation du délinquant en cour martiale.

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil, en vertu des dispositions de l'article 6 de la *Loi des mesures de guerre*, afin d'assurer un moyen plus facile et plus expéditif de punir les délinquants, d'établir par ces présentes les ordres et règlements suivants, savoir :—

1. Tout homme de la milice active du Canada, qui, sans la permission de son officier commandant, s'absente de son corps tandis qu'il est en service actif, et tout soldat du corps expéditionnaire canadien d'outre-mer qui s'absente de son effectif sans la permission de son officier commandant est coupable d'infraction d'après les dispositions du code criminel, et sur conviction sommaire sous l'empire des dispositions de la partie 15 de ce code est passible d'emprisonnement, avec ou sans travaux forcés, pour une période n'excédant pas deux ans.

2. La production d'une attestation signée par l'accusé et certifiée par un juge de paix ou par un officier désigné au commandement d'un bataillon ou d'un corps semblable des forces expéditionnaires canadiennes d'outre-mer, et étant l'engagement par l'accusé de servir dans le corps ou l'effectif dont il est accusé d'être absent, sera preuve suffisante que le dit accusé était dûment enrôlé dans ce corps ou effectif ; et le fait qu'il sera démontré que l'accusé était en Canada lorsqu'il s'est livré ou a été appréhendé et une déclaration écrite de l'adjudant général de la milice ou de son assistant que l'effectif dans lequel l'accusé était placé ou auquel il appartenait est parti du Canada pour le service d'outre-mer, sera preuve *prima facie* que l'accusé s'est absenté sans congé de ce corps ou effectif et sera suffisant pour imposer à l'accusé l'obligation de prouver que son absence de ce corps ou effectif n'était pas illégale.

3. Rien d'ici contenu ne limitera ou n'affectera de manière quelconque le pouvoir des autorités militaires de poursuivre et de punir conformément aux règles de la loi militaire un absent sans congé ; mais un accusé ne peut être cité devant un tribunal militaire et une cour civile, mais il peut l'être devant l'un ou l'autre selon qu'il pourra être prescrit.

4. La solde et les allocations militaires de chacun qui aura été trouvé coupable d'absence, sans congé, de son corps ou de l'effectif auquel il appartient peuvent être confisquées pour compenser toute perte ou destruction ou tout dommage qu'il a causés ou a permis d'être causés à des armes, munitions, équipements, uniformes, instruments ou outillage régimentaires lorsque le Ministre de la Milice et de la Défense lui aura ordonné d'en payer la valeur.

ATTENDU que l'article 22 des règlements pour l'administration des réserves forestières fédérales, approuvés par un arrêté en conseil du 8 août 1913, stipule que la demande d'un permis de couper le bois gratuitement concédé à un colon doit être faite dans les cinq ans de la date de l'inscription de homestead ;

Et attendu que des représentations ont été faites au Ministère de l'Intérieur que l'application de cette stipulation pouvait nuire à quelques-uns des colons des districts voisins des réserves forestières dans la Saskatchewan-Nord ;

Et attendu qu'une enquête à ce sujet révèle qu'à causes des conditions climatiques et autres dans certaines des régions du nord, nombre de colons n'ont pu développer leur homestead aussi rapidement que d'autres plus favorablement situés, et qu'en conséquence ils souffriront probablement de l'application des dispositions de l'article ci-dessus nommé,—

Toute publication périodique prétendant avoir droit d'être transmise par la malle d'un marchand de journaux à un autre au tarif de 1c. par 4 onces, doit se conformer aux conditions suivantes :

COMMISSION DU SERVICE CIVIL.

AVIS public est par le présent donné qu'un examen de concours général pour entrée au collège naval royal du Canada sera tenu, sous la direction de la Commission du Service civil, mercredi, le 10 mai 1916, à Prince-Rupert, Victoria, Vancouver, Nelson, Edmonton, Calgary, Saskatoon, Regina, Brandon, Winnipeg, Port-Arthur, Sault-Ste-Marie, London, Hamilton, Toronto, Kingston, Ottawa, Montréal, Sherbrooke, Québec, Frédérickton, Moncton, St. John, Charlottetown, Yarmouth, Halifax et Sydney. Cet examen peut être aussi tenu dans d'autres centres, pourvu qu'un nombre suffisant de candidats demandent à le subir au même endroit.

On attire l'attention sur le fait que dans l'état présent des choses le département du Service naval ne s'engage en aucune façon à donner des commissions aux gradués du collège naval royal, mais il n'exige pas non plus que les gradués cadets suivent la carrière navale. On a cependant effectué une entente avec l'Amirauté par laquelle elle s'est engagée à accepter chaque année huit cadets ayant terminé leur cours au collège, pourvu qu'ils aient atteint les niveaux d'excellence requis. Ils entreront dans la marine royale comme cadets sur le même pied que les gradués du collège naval de Dartmouth. Une entente a aussi été effectuée avec les uni-

versités McGill et Toronto par laquelle elles acceptent les gradués du collège naval royal dans la seconde année du cours de sciences appliquées de ces universités. D'autres universités se feront sans doute un plaisir d'accorder le même privilège.

On attire aussi l'attention sur les examens de concours généraux pour positions dans le Service intérieur qui seront tenus à commencer le 8 mai 1916. Les candidats heureux à ces examens ont l'assurance d'obtenir une position permanente, soit comme commis, soit comme sténo-dactylographes. Un examen pour positions dans les catégories inférieures du Service intérieur, et les examens préliminaire et d'aptitude réguliers seront aussi tenus aux mêmes temps et endroits.

On peut obtenir du Secrétaire de la Commission du Service civil, à Ottawa, sur demande personnelle ou par écrit, les formules de demande d'inscription et tous les renseignements nécessaires.

Les formules de demande d'inscription, dûment remplies, et accompagnées des honoraires requis, doivent parvenir au bureau de la Commission du Service civil pas plus tard que le 15 avril 1916. Cette règle est de rigueur.

Par ordre de la Commission,  
WM FORAN,  
Secrétaire.

| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000.....                        | 200 00    |
| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000.....                      | 300 00    |
| (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000 et n'excède pas \$2,000,000.....                       | 400 00    |
| (i) Pour chaque million ou fraction de million de dollars additionnel.....   | 100 00    |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de \$200.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,  
Greffier des Communes.

## RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,

Greffier du Sénat.

plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

*En conséquence les actionnaires de la banque dite "Northern Crown Bank," maintenant réunis en assemblée générale annuelle, décrètent ce qui suit :—*

(1) Le capital-actions souscrit de la banque dite "Northern Crown Bank" est par le présent réduit à \$1,431,200 divisé en 14,132 actions d'une valeur au pair de \$100 chacune, en réduisant le nombre actuel des actions souscrites de la Banque comme suit, savoir :— Pour et au lieu de chaque deux actions détenues par les actionnaires inscrits le 18e jour de janvier A.D. 1916, une action de \$100 chacune, sera livrée à tel actionnaire.

(4) Rien de contenu dans le présent ou fait ci-après ne pourra en aucune manière affecter ou diminuer la présente responsabilité des détenteurs d'actions impayées ou non complètement payées, d'acquitter le plein montant de telles actions au montant nominal actuel.

(5) Rien de contenu dans les présentes ne sera interprété comme diminuant ou variant la responsabilité des actionnaires de la banque dite "Northern Crown Bank," envers ses créanciers actuels.

Temporary Captain Ernest Charles Jackson, 5th Canadian Infantry Battalion.

For conspicuous gallantry on 15th December, 1915.

He commanded the attack on a German advanced barricade on the Messines road with great dash and determination. Previously, on 7th November, 1915, he displayed great daring in entering a German sap opposite our trenches on Hill 63, and in withdrawing under heavy fire.

HIS Majesty the KING has been graciously pleased to confer the Military Cross on the undermentioned Officers in recognition of their gallantry and devotion to duty in the field :—

Lieutenant Kenneth Leon Taylor Campbell, 5th Canadian Infantry Battalion.

For conspicuous gallantry on 15th December, 1915, during the attack on the advanced German barricade on the Messines road. Also for great gallantry in a previous attack on the German trenches at Hill 63 on the 16th November, 1915.

HIS Majesty the KING has been graciously pleased to approve of the award of the Distinguished Conduct Medal to the undermentioned Warrant Officers, Non-commissioned Officers and Men for acts of gallantry and devotion to duty whilst serving with the Expeditionary Forces in France and Flanders, the Dardanelles, Mesopotamia, and East Africa :

16858. Serjeant H. Ashby, 7th Canadian Infantry Battalion.

For conspicuous gallantry on the night of 16th/17th November, 1915, near Messines. Serjeants Meyerstein and Ashby with some scouts worked for four hours in bright moonlight cutting lanes through the wire close to a heavily manned German trench. They then placed a bridge over the Douve river about 16 yards from the enemy's parapet, and guided our bombing parties through the lanes they had cut. Their coolness and courage rendered the bomb attack possible.

16395. Lance-Corporal E. L. Babcock, 7th Canadian Infantry Battalion.

For conspicuous gallantry and resource near Messines on the night of the 16th/17th November, 1915. Corporals Babcock, Odum and Weir and Lance-Corporal Berry worked for four hours on a bright moonlight night cutting wire close to a heavily manned German trench. They also assisted in placing a bridge over the Douve river about 16 yards from the German parapet, and guided bombing parties through the lanes they had cut. It was largely due to their coolness and resource that the attack was a success.

10718. Company Serjeant-Major B. Benton, 4th Canadian Infantry Battalion.

For conspicuous gallantry at Wulverghem on 20th October, 1915, when he volunteered to go with Private J. Donaghue to the rescue of a comrade who had been shot down near the enemy's lines. He crawled 300 yards, found the wounded man in a shell hole near the German wire, dressed his wounds, and guided Private Donaghue, who carried him back to our trenches.

77848. Private J. Berry, 7th Canadian Infantry Battalion.

For conspicuous gallantry and resource near Messines on the night of the 16th/17th November, 1915.

Corporals Babcock, Odlum and Weir and Private Berry worked four hours on a bright moonlight night cutting wire close to a heavily manned German trench. For conspicuous gallantry at Wulverghem on 20th October, 1915, when he volunteered to go out with Company Sergeant-Major Benton and attempt to rescue a comrade, who had been severely wounded near the enemy's lines. They crawled some 300 yards, found the wounded man in a shell hole, and, after his wounds had been dressed by Company Sergeant-Major Benton, Private Donaghue crawled in with him on the back. One rescue party had already gone out, but failed to locate the wounded man.

9902. Private G. L. Eastman, 3rd Canadian Infantry Battalion.

For conspicuous gallantry at Wulverghem on 30th October, 1915.

It would have fallen into a dug out in which were two of his comrades but he dashed forward, caught the bomb and hurled it over the parapet, when it immediately exploded. Private Eastman's cool daring and presence of mind probably saved the lives of his two comrades.

A/24174. Private J. H. Lindsay, 5th Canadian Infantry Battalion.

For conspicuous gallantry and good work between 12th and 14th December, 1915, in scouting and reconnoitring previous to the attack on the German advanced barricade at Messines road. He was often under heavy fire at close range. Finally he did excellent work in the capture of the barricade.

A/36224. Company Sergeant-Major J. D. Matheson, 4th Canadian Infantry Battalion.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 4th day of February, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 31st January, 1916, from the Minister of the Interior, submitting that under the provisions of the Order in Council, dated the 28th January, 1915, Trooper Lorne Mulloy, now Professor Mulloy of Kingston, Ontario, to whom South African Volunteer Bounty Land Certificate No. 6003 was issued in connection with his services in South Africa, was authorized upon returning to the Department the certificate in question or filing a bond of indemnity in the event of his not being able to produce the certificate, with satisfactory proof that no assignment of the certificate had been made to select during the year 1915 two adjacent quarter-sections of available Dominion Lands open to homestead entry which would be sold to him at the rate of \$1 an acre in full satisfaction of his claim under the said South African Volunteer Bounty Land Certificate No. 6003, from which he had derived no benefit, being unable, on account of injuries received while on active service during the South African campaign which resulted in total blindness, to comply with the conditions as to residence and cultivation required in connection with the location of such certificates.

Mr. Mulloy, who filed the necessary documents respecting the loss of the certificate together with a bond of indemnity, failed to select the land he desires to purchase within the time specified and has applied for an extension thereof.

The Minister, being of the opinion that such application should receive favourable consideration, recommends that Mr. Mulloy, whose full name is Lorne W. R. Mulloy, be allowed to select two adjoining quarter-sections of available Dominion Lands open to homestead entry in the Provinces of Manitoba, Alberta or Saskatchewan and that upon his notifying the Department of the Interior of such selection during the present year, 1916, a sale of the land so selected be made to him at the rate of \$1.00 an acre in full satisfaction of his claim under the said South African Volunteer Bounty Land Certificate No. 6003, above referred to.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,

33-4

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 20th January, 1916, from the Minister of the Interior, submitting that Section 12 of the Dominion Lands Surveys Act provides that the Minister of the Interior may cause examinations of candidates for admission as articled pupils or for commissions as Dominion Land Surveyors to be held at such times and places as he directs, by one of the members of the Board or by a special examiner who is a Dominion Land Surveyor and is appointed thereto by the Governor in Council,—

The Minister, therefore, recommends that William Hall Powell, of Vancouver, British Columbia, Dominion Land Surveyor, be appointed as special examiner under the provisions of The Dominion Lands Surveys Act.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,

32-4

Clerk of the Privy Council.

[123]

AT THE GOVERNMENT HOUSE AT OTTAWA

Tuesday, the 25th day of January, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a Report, dated 14th of January, 1916, from the Minister of the Interior, submitting that the Canadian Northern Alberta Railway Company, Limited, has applied for a licence to occupy certain Dominion lands in the Province of Alberta, being a portion of the bed of the Athabaska river situated in the North half of section 1, township 51, range 26, west of the 5th meridian, and more particularly hereinafter described for the purpose of constructing and maintaining thereon a railway bridge across the said river.

The Minister states :—

That by an Order in Council dated 30th day of August, 1913, the Minister of Public Works was authorized to approve the plan of the said bridge subject to certain conditions, one of which was that the said Company should procure from the Department of the Interior the requisite license to occupy the said river bed lands for the purpose stated :

That by an Order in Council dated 29th day of October, 1913, the Minister of Interior was authorized to issue in favour of the said Company a license to occupy the said lands for a term of ten years, renewable under certain conditions :

That the said license of occupation has not been issued and that since the last mentioned Order in Council was passed the Department of the Interior has adopted a uniform policy in cases where river bed lands are required for railway bridge purposes, namely, to make any such license effective for such term as may be required for the purpose of maintaining the bridge in question in connection with the operation of the particular railway concerned.

The Minister, therefore, recommends that he be authorized to issue a license of occupation in favour of the Canadian Northern Alberta Railway Company, Limited, for that portion of the bed of the Athabaska river described as follows :—

That certain parcel or tract of land, being a part of the bed of the Athabaska river, situate in the north half of section one in the fifty-first Township, in the twenty-sixth Range, west of the Fifth Meridian, in the Province of Alberta, as the said section one is shown on a plan of the said township approved and confirmed by E. Deville, Surveyor General of Dominion Lands at Ottawa, on the twenty-third day of December, one thousand nine hundred and twelve, which said parcel may be more particularly described as follows :—

Bounded on the east and west by the right and left banks respectively of the Athabaska river ; and on the north and south by lines parallel to and one hundred feet perpendicularly distant on each side from a line and the production thereof, which line being the centre line of the Canadian Northern Alberta Railway intersects the said banks and runs on an astronomical bearing of south sixty-five degrees and twenty-five minutes west through a point situate one thousand three hundred and seventy-nine feet and four-tenths of a foot, more or less, north, and two thousand one hundred and thirty feet and eight-tenths of a foot, more or less, west of the southeast corner of the northeast quarter of the said section one ; the said parcel containing an area of two acres and seven-tenths of an acre, more or less, and shown coloured pink on the sketch hereto attached.

The said license of occupation to be for such length of time as the bridge may be required in connection with the operation of the railway at an annual rental of \$1.00 per annum ; and to be subject in respect of the construction and maintenance of the said bridge, to full compliance by the Company with the provisions of the Navigable Waters Protection Act.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

32-4

[125]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 22nd day of January, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS application was made by the Trustees of the Portreeve School District No. 3028 of the Province of Saskatchewan for permission to acquire four acres of land on the north boundary of the north-east quarter of Section 29, Township 21, Range 22, west of the 3rd Meridian, for the purpose of a school site, and also to acquire a strip of land thirty-three feet in width on the north boundary of the quarter section between the school site and the regular road allowance, as shown on the tracing herewith, for the purposes of a road to give access to the school site ;

And whereas, under the provisions of The Dominion Lands Act, the Minister of the Interior has power to sell by private sale to Boards of Trustees the land required in school sections for school sites, or for purposes properly connected therewith, provided the application of the Trustees is endorsed by the Minister or Deputy Minister of Education for the Province in which the land is situated ;

And whereas, in the present instance, the application of the Trustees was duly endorsed by the Deputy Minister of Education for the Province of Saskatchewan, and the land required for the school site, comprising four acres, was accordingly sold to the Board of Trustees, in accordance with the provisions of The Dominion Lands Act ;

And whereas there is no provision in The Dominion Lands Act for the sale of land in school sections required for roads and the Trustees were, therefore, informed that the only thing that could be done would be to reserve by Order in Council the strip of land thirty-three feet in width required for a public road adjoining the north boundary of the quarter-section between the school site and the road allowance on the east boundary of the section ;

And whereas The Dominion Lands Act also provides that all parcels of land sold to School Boards for the purposes of the school sites must adjoin a road allowance and it is necessary, therefore, to provide a road to give access to this parcel,—

Therefore His Royal Highness the Governor General in Council is pleased to authorize and doth hereby authorize the reservation, during the pleasure of the Governor General in Council, of a strip of land one-half chain in width on the north boundary of the northeast quarter of Section 29, Township 21, Range 22, west of the 3rd Meridian, lying between the school site and the regular road allowance on the east boundary of the said section, as shown on tracing herewith, so as to give access to the school site.

[217]

AT THE GOVERNMENT HOUSE AT OTTAWA

Friday, the 4th day of February, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

HIS Royal Highness the Governor General in Council is pleased to order that the regulations for the survey, administration, disposal and management of Dominion lands within the Forty-mile Railway Belt in the Province of British Columbia shall be and the same are hereby amended as follows :—

Sub-sections "a" and "b" of Section 19 of Order in Council of the 17th September, 1889, are hereby rescinded and the following provisions substituted therefor :

(a) Application for homestead entry by proxy may be made by a person applying on behalf of a husband, father, mother, son, daughter, brother or sister, when duly authorized to do so in the form prescribed. In such case the proxy shall appear in person before the

agent of Dominion Lands for the District in which the land applied for is situated. Application for entry by proxy shall not be accepted by a sub-agent. The homesteader on whose behalf such entry is made must, before the expiration of six months from the date of the entry, appear personally before the agent for the District (not a sub-agent) and satisfy him by declaration so provided that he is already in residence or on his way to commence such residence, and in the latter case that he will be in residence before the end of the six months. Should he fail to appear, the agent shall cancel the entry without notice at the end of six months from date of entry. No extension of time within which to commence residence duties shall be granted in connection with a proxy entry. The provisions of this paragraph shall be retro-active so as to apply to the case of any entry made by proxy before the coming into force of this order.

(b) Notwithstanding anything contained in the above provisions, if any person who is a member of any body or force serving with the forces of Great Britain or of any of her Allies during the present European War, secures entry for a homestead on Dominion lands by proxy, such entry, whether secured before or after the date at which the entrant enlisted or was recalled for active military service, shall take the same standing, and be dealt with in the same way as if it had been made in person instead of by proxy; and the person on whose behalf such proxy entry is made shall be entitled to share in the benefits of the Orders in Council of the 17th October, 1914, 19th June, 1915, and 6th January, 1916, in so far as the same would be applicable to him if his entry had been made in person.

Nothing in these regulations shall be held to confer any right or claim upon any entrant who, being engaged on active military service as aforesaid, has failed to notify the agent of Dominion Lands for the district in which the land is situated of the fact of his being so engaged, in ample time to enable the agent to note the fact in his records so as to prevent the cancellation of the proxy entry for non-appearance at the end of six months from the date thereof.

Nothing in these regulations shall be held to confer any right or claim in the case of any proxy entry which has already been cancelled for non-appearance.

In any case where cancellation has already been carried out the Minister of the Interior may restore such entry provided he finds that the land affected thereby is still vacant and available for the purpose, and upon restoration such entry shall thereupon become subject to the provisions of this Order in Council.

33-4 Clerk of the Privy Council.

Friday, the 4th day of February, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR

WHEREAS application has been made by Mr. William Flett of Fort Vermilion, in the Province of Alberta, for a grant of those portions of the N.W.  $\frac{1}{4}$  of Section 13, and S.W.  $\frac{1}{4}$  of Section 24, Township 108, Range 14, west of the Fifth Meridian, in the said Province of Alberta, lying south of Peace River, and containing a total area of 139.6 acres, by virtue of occupation of the land at the date of the extinguishment of the Indian title.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 22nd day of January, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS section 22 of the Regulations governing the Dominion Forest Reserves, approved by Order in Council of the 8th August, 1913, provides that application for a permit to cut the free allowance of timber granted to a homesteader must be made within five years from the date of homestead entry;

And whereas representations have been made to the Department of the Interior that the operation of this provision may occasion hardship to some of the settlers in districts adjacent to some of the forest reserves in Northern Saskatchewan;

And whereas an enquiry into the matter shows that on account of climatic and other conditions in some of

the northern regions many homesteaders have not been able to develop their homesteads as rapidly as others more favourably situated, and in consequence some hardship is likely to be caused at the present time by the enforcement of the provisions referred to,—

Therefore His Royal Highness the Governor General in Council, in order to enable such homesteaders to obtain the free allowance of timber, and to give adequate notice of the establishment of the limit of five years, is pleased to order and doth hereby order that the limitation period be extended from five to eight years on the Poreupine, Pasquia, Fort a la Corne, Sturgeon and Big River Forest Reserves in Saskatchewan, and the Lesser Slave Forest Reserve in Alberta: such extension of time to remain in force until the 1st day of May, 1918.

THE Committee of the Privy Council have had before them a report, dated 29th January, 1916, from the Minister of the Interior, stating that by an Order in Council of the 11th March, 1915, provision was made that in view of the difficulties of access to mineral claims situated in the northern portions of the Provinces of Manitoba, Saskatchewan and Alberta, and the exceptional conditions brought about by the war, the recorded owners of mineral claims acquired under the

regulations for the disposal of quartz mining claims, situated in the northern portions of the provinces above enumerated (that is, those portions lying north of the southern boundary of Township 17 in the Province of Manitoba, those portions lying north of the southern boundary of Township 47 in the Province of Saskatchewan, and those portions lying north of the southern boundary of Township 60 in the Province of Alberta) be granted an extension of time for one year from the date of that Order in Council, within which to furnish evidence of the required expenditure in mining operations upon such locations, as required by section 41 of the said regulations for the disposal of quartz mining claims;

The Minister further states that representations have been made to the Department of the Interior that the obstacles to the development of mineral claims in the northern portions of the Provinces above enumerated have not been removed, and that the difficulties of operation have not been lessened,—

The Minister, therefore, recommends that the provisions of the Order in Council of the 11th March, 1915, above referred to, be extended for a period of one year,—that is up to the 11th day of March, 1917.

The Committee concur in the foregoing recommendation and submit the same for approval.

To secure above allowance, where passengers are en route to Trans-Atlantic or Trans-Pacific points, they must present, at time of checking, a through railroad ticket reading up to the Atlantic or Pacific Coast port (as the case may be) and an order or ticket covering steamship transportation beyond, provided both the railroad ticket and the steamship order or ticket are stamped "Around-the-World." Where passengers, however, are returning to original starting point in the United States or Canada, only the presentation of railroad ticket from port of entry to destination (stamped "around-the-World") will be required.

(c) On Trans-Pacific tickets (i.e., tickets reading to or from Trans-Pacific points and stamped "Trans-Pacific") subject to limitations shown in Rule 19, there will be checked without charge three hundred and fifty (350) pounds of baggage, not exceeding one hundred dollars (\$100.00) in value, for each adult passenger, and one hundred and seventy-five (175) pounds, not exceeding fifty dollars (\$50.00) in value, for each child travelling on a half ticket.

To secure the above allowance, where passengers holding such tickets are en route to Trans-Pacific points, they must present, at time of checking, a through railroad ticket reading up to the Pacific Coast port and an order or ticket covering steamship transportation beyond, provided both the railroad ticket and the steamship order or ticket are stamped "Trans-Pacific," "Coin Trans-Pacific" or "Domestic Trans-Pacific." Where passengers, however, are en route from Trans-Pacific points, only the presentation of railroad ticket from Pacific Coast port to destination or to Atlantic port (stamped "Trans-Pacific") will be required.

(d) Articles specified in Rule 12 shall be included in the weight of passenger's baggage.

#### COMMERCIAL TRAVELLERS' BAGGAGE ALLOWANCE AND LIABILITY.

Rule 18.—(a) Subject to limitations as shown in Rules 19 and 20, three hundred (300) pounds of sample and personal baggage will be checked free between points in Canada only, and then only on presentation of current year's Canadian commercial travellers' transportation privilege certificate (on which baggage privileges must be endorsed) together with commercial travellers' passage ticket which must bear corresponding number. Unless otherwise specifically authorized by tariff no special allowance beyond one hundred and fifty (150) pounds per ticket will be made

commercial travellers presenting excursion, summer tourist, convention or second-class tickets issued to the public, even though commercial travellers' certificate is presented with such ticket. A free allowance of not more than one hundred and fifty (150) pounds of sample and personal baggage will be granted any commercial traveller who is not a member of a recognized Canadian commercial travellers' association. Baggage must be checked only to destination (except where stop-over is allowed, or as per clause (b) of this rule), and via same route as passage ticket and must be weighed each time checked. Only one ticket will be honoured in checking any one lot of sample baggage except that when a commercial traveller is accompanied by an assistant who is solely in his employ, or that of the firm he represents, the authorized free allowance may be granted on each ticket.

(b) Commercial travellers presenting week-end tickets may have usual allowance of three hundred (300) pounds of sample baggage, and personal baggage checked free on going or return journey either to destination of ticket, or to an intermediate point, provided such point is on direct route of ticket.

(c) In consideration of special concessions granted to commercial travellers, the carrier will not be liable for any claim in respect of or consequent upon any loss of or damage or delay to any sample baggage or personal baggage transported for a commercial traveller as such whether the same is charged for as excess baggage or carried as free allowance.

#### LIMIT OF WEIGHT.

Rule 19.—No single piece of baggage or other article of any class weighing more than 250 pounds (except immigrant baggage, checked at port of landing) will be accepted for transportation in regular baggage service.

#### EXCESS SIZE.

Rule 20.—(a) For any piece of baggage or other article transported in regular baggage service any dimension of which exceeds forty-five (45) inches, there will be a charge for each inch in excess of forty-five (45) inches for each such dimension equal to the charge for five (5) pounds of excess weight, measurements to include gable or dome-shaped ends or similar protuberances.

(b) Any piece of baggage or other article, the greatest dimension of which exceeds seventy-two (72) inches will not be transported in regular baggage service.

(c) Exceptions: This rule will not apply to the following:

- (1) Baby carriages.
- (2) Bicycles not in trunks.
- (3) Toboggans and skis.
- (4) Canoes.
- (5) Steamer and invalids' chairs.
- (6) Guns.
- (7) Surveyors' tripods.
- (8) Club paraphernalia.
- (9) Tent poles.
- (10) Trans-Pacific and Around-the-World baggage when checked between points in Canada.
- (11) Immigrant baggage checked at port of landing.
- (12) Whips in flexible case not exceeding ninety (90) inches in length, or twelve (12) inches in diameter at the base, or one hundred (100) pounds in weight.
- (13) Public entertainment paraphernalia, except trunks containing wearing apparel for use on or off the stage.
- (14) Fishing rods, properly encased.

#### EXCESS WEIGHT.

Rule 21.—(a) Baggage or any other articles specified in Rule 12 weighing more than the free allowance will be charged for in accordance with carrier's current tariff.

(b) Charges for excess weight should be prepaid.

# METHOD OF COMPUTING CHARGE FOR EXCESS WEIGHT, EXCESS SIZE AND MINIMUM CHARGE.

Rule 22.—Should a single lot of baggage be of excess weight or excess size, or both, the total charge will be computed by adding 5 pounds per inch of excess size to the number of pounds of excess weight and multiply the total number of pounds so computed by the excess baggage rate per hundred.

The following illustrates the method of computation:

(1) If a trunk is 47 inches long (and there is no excess weight the extra charge would be computed on the basis of 2 inches (10 pounds).

(2) If a trunk is 47 inches wide and 49 inches long (and there is no excess weight) the extra charge would be computed on basis of 6 inches (30 pounds), since two of the dimensions exceed 45 inches.

(3) If a trunk is 47 inches high, 48 inches wide and 49 inches long (and there is no excess weight), the extra charge would be computed on the basis of 9 inches (45 pounds), as in that case three of the dimensions exceed 45 inches.

(4) If a trunk is 47 inches high, 48 inches wide and 49 inches long and there is 100 pounds excess weight, the extra charge would be computed on the basis of 9 inches (45 pounds for excess dimension) and 100 pounds for excess weight, total 145 pounds.

The minimum collection for any shipment of excess baggage, either of excess weight or excess size or both, will be 25 cents.

No charge will be made for a fraction of an inch.

Charge for excess size must be made regardless of the number of tickets presented.

## STORAGE.

Rule 23.—(a) Storage will be charged in accordance with current tariff on each piece of baggage or other articles carried in regular baggage service, either inbound or outbound, checked, or not checked, remaining at stations or wharves over twenty-four hours.

Exceptions.—(1) Baggage and other articles will be held free when received at any hour Saturday and claimed before same hour Monday following, or when received at any hour Sunday and claimed before midnight Monday following. If not claimed within the time specified, storage will commence 24 hours after receipt of the baggage or other article. Dominion holidays will be treated same as Sundays. When a Dominion holiday falls on Saturday or Monday, or is observed on either of those days, the Sunday and the Dominion holiday combined will be treated the same as Sunday. No deduction will be made for Sundays or Dominion holidays after storage has begun.

(2) Sample baggage of commercial travellers holding current year's commercial travellers' transportation privilege certificates, arriving at stations in Canada after 1.00 p.m. Fridays, will be stored free of charge until midnight the Monday following.

(3) Storage charges will be waived on baggage belonging to Trans-Pacific and Around-the-World passengers while en route through Canada.

(b) On any such baggage or other articles delivered at stations or wharves under claim or identification checks which is reclaimed and not checked out, or for which valid transportation is not produced showing that the owner is a passenger, storage will be charged at rate as per current tariff, without any free time allowance.

(c) Such baggage or other articles in bond will be subject to storage charges when checked to and bonded on a station at which a customs officer is regularly on duty at train time. Such baggage and other articles in bond under other circumstances will not be subject to storage charges.

(d) After the expiration of 24 hours from the receipt of such baggage or articles in storage, the carrier shall be liable as a warehouseman only.

## LOST DUPLICATE CHECKS.

Rule 24.—If passenger loses a duplicate baggage or parcel room check and can identify himself or herself to the satisfaction of the carrier as the owner of such baggage or article, it will be delivered on payment of charge in accordance with current tariff for lost duplicate check and on signing a lost duplicate check receipt. On return of lost check to carrier making collection, amount collected will be refunded.

## IDENTIFICATION CLAIM CHECKS.

Rule 25.—All baggage or other articles delivered at stations or wharves and not immediately checked to destination should bear a claim check or the baggagemen must be requested to issue an identification claim check when the baggage or other articles are received, otherwise no responsibility will be assumed by the carriers for such baggage or other articles left on their premises.

## GENERAL RULES.

Rule 26.—(a) Any articles not specified in the foregoing rules shall not be carried in regular baggage service.

(b) Passengers should make memorandum of their baggage check numbers.

(c) In the case of baggage or other articles checked upon a through ticket at any point in Canada for conveyance to another point in Canada over any railway or railways subject to the legislative jurisdiction of the Parliament of Canada, other than the Intercolonial Railway and the National Transcontinental, the carrier checking such baggage or other articles, in addition to its other liability under these regulations shall be liable to the extent provided for by these regulations for any loss, damage or injury to such baggage or other articles caused by or resulting from the act, neglect or default of the connecting or other carrier to which such baggage or other articles may be delivered in Canada, and from which the connecting or other carrier is not by these regulations or otherwise by law relieved; and the carrier so checking the baggage or other articles shall be entitled to recover from the connecting or other carrier on whose line the loss, damage or injury shall have been sustained, the amount of such loss, damage or injury as it (the checking carrier) may be required to pay under this regulation, as may be evidenced by any receipt, judgment or transcript thereof; and except as provided by this regulation the liability of the carriers for loss of or damage or delay to baggage or other articles checked to points beyond their lines shall cease as soon as such baggage or article is delivered to the next connecting carrier.

(d) In case of non-delivery of baggage or other articles checked, notice must be given in writing to the carrier at destination within twenty (20) days after arrival of passenger thereat. In case of damage or delay to baggage or other articles checked, or loss of any of the contents from a receptacle, such notice must be given within twenty (20) days after delivery of such baggage, article or receptacle, otherwise the carrier shall not be liable.

(e) Baggage and other articles carried under these regulations from Canadian to United States points and vice versa, must be examined by customs officer, or they will be held at the border. Passengers should attend to this personally.

(f) When any baggage or article is checked to a flag station it must be claimed by presenting duplicate check to train conductor or baggageman; otherwise baggage will be forwarded to first station beyond where an agent is on duty and must be claimed at that station.

(g) All baggage and articles left unclaimed in baggage rooms for twelve months, may be sold by public auction.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

## ARRÊTES EN CONSEIL.

HOTEL DU GOUVERNEMENT À OTTAWA.

Mardi, le 25e jour de janvier 1916.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR  
GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 14 janvier 1916, représentant que la compagnie dite "Canadian Northern Alberta Railway Company, Limited," a demandé un permis d'occupation de certaines terres fédérales dans la province d'Alberta, soit une partie du lit de la rivière Athabaska, située dans la moitié nord de la section 1, township 51, rang 26, à l'ouest du 5e méridien, et décrite plus minutieusement ci-dessous, pour y construire et entretenir un pont de chemin de fer traversant la dite rivière.

Le Ministre ajoute :

Que par un arrêté en conseil daté le 30 août 1913 le Ministre des Travaux publics a été autorisé à approuver le plan du dit pont, subordonné à certaines conditions, dont l'une était que la dite compagnie devait obtenir du Département de l'Intérieur le permis nécessaire d'occupation du lit de la dite rivière pour les fins mentionnées ;

Que par un arrêté en conseil du 29 octobre 1913 le Ministre de l'Intérieur a été autorisé à délivrer à la dite compagnie un permis d'occuper les dits terrains pour une période de dix ans, le permis étant renouvelable à certaines conditions ;

Que le dit permis d'occupation n'a pas été émis et que depuis qu'a été adopté le dernier arrêté en conseil le Département de l'Intérieur a eu pour coutume uniforme, dans les cas où il est nécessaire d'occuper le lit des rivières pour la construction de ponts de chemins de fer, de donner à ce permis la durée nécessaire pour l'entretien du pont en question en rapport avec l'exploitation du chemin de fer concerné ;

A ces causes, le Ministre demande l'autorisation de délivrer un permis d'occupation à la compagnie dite "Canadian Northern Alberta Railway Company, Limited," d'une partie du lit de la rivière Athabaska, décrite comme suit :

Le terrain formant partie du lit de la rivière Athabaska, situé dans la moitié nord de la section 1 du township 51, rang 26, à l'ouest du 5e méridien, dans la province d'Alberta, ainsi qu'indiqué sur un plan du dit township approuvé et confirmé par E. Devile, arpenteur général des terres fédérales, à Ottawa, le 23 décembre 1912, lequel terrain peut être décrit plus minutieusement comme suit :—

Borné à l'est et l'ouest par les rives droites et gauches, respectivement, de la rivière Athabaska ; au nord et au sud par des lignes parallèles à une ligne et son prolongement et éloignées de 100 pieds chaque côté de cette ligne, qui étant la ligne centrale du chemin de fer susdit, intersecte les dites rives et se prolonge dans une direction suivant un relèvement astronomique de 65 degrés sud et 25 minutes ouest par un point situé 1379.4 pieds, plus ou moins, nord, et 2130.8 pieds, plus ou moins, à l'ouest de l'angle sud-est du quart nord-est de la dite section 1 ; le dit terrain contient une superficie de 2.7 acres, plus ou moins, et est coloré rose sur le plan ci-annexé.

Le dit permis d'occupation sera pour telle période pendant laquelle le pont sera requis en rapport avec l'exploitation du chemin de fer ; le loyer annuel sera de \$1 par année ; le permis, quant à la construction et à l'entretien du pont est subordonné à la condition que la compagnie observera strictement les prescriptions de la *Loi de protection des eaux navigables*.

Le comité agréé ce qui précède et le soumet pour approbation.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR  
GÉNÉRAL EN CONSEIL.

IL plaît à Son Altesse Royale le Gouverneur général en conseil de décréter que les règlements pour l'arpentage, l'administration et la concession des terres fédérales dans la zone des chemins de fer de 40 milles dans la province de la Colombie-Britannique, soient par ces présentes modifiés comme suit :—

Les paragraphes "a" et "b" de l'article 19 de l'arrêté en conseil du 17 septembre 1889, sont par ces présentes rescindés et les dispositions suivantes leurs sont substituées :

(19. (a) La demande d'inscription de homestead par procuration peut être faite par une personne qui fait la demande en faveur d'un époux, d'un père, d'une mère, d'un fils, d'une fille, d'un frère ou d'une sœur, quand cette personne est dûment autorisée de le faire, et dans la forme prescrite. Dans ce cas le mandataire se présentera en personne devant l'agent des terres fédérales du district où est situé le terrain demandé. La demande d'inscription par procuration ne doit pas être agréée par un sous-agent. L'inscrit au nom duquel est faite cette inscription doit se présenter personnellement à l'agent du district (et non au sous-agent) dans les six mois de la date de l'inscription et faire une déclaration satisfaisante qu'il résidait sur le terrain ou qu'il a l'intention d'y résider et, dans ce cas, qu'il y résidera avant l'expiration des six mois. A défaut de se présenter à l'agent, celui-ci annulera l'inscription sans avis à l'expiration des six mois de la date de l'inscription. Aucun prolongement du délai ne sera accordé dans le cas d'inscription par procuration. Les dispositions de ce paragraphe seront rétroactives de manière à s'appliquer à toute inscription par procuration avant la mise en vigueur du présent arrêté.

Nonobstant toute stipulation du présent arrêté, si quelqu'un qui appartient à un corps quelconque servant dans les armées de la Grande-Bretagne ou d'un de ses alliés pendant la guerre européenne actuelle obtient par procuration l'inscription de homestead sur des terres fédérales, cette inscription, qu'elle ait été obtenue avant ou après la date où l'inscrit s'est enrôlé ou a été rappelé du service militaire actif, aura la même préséance et sera traitée de la même manière que si elle avait été faite en personne au lieu de l'avoir été par procuration ; et la personne au nom de laquelle cette inscription par procuration a été faite jouira des privilèges accordés par les arrêtés en conseil du 17 octobre 1914, 19 juin 1915 et 6 janvier 1916, en autant que ces arrêtés lui seraient applicables si son inscription avait été faite en personne.

Rien dans ces règlements ne sera censé conférer un droit quelconque à un inscrit qui, s'étant enrôlé dans le service militaire actif comme susdit, a négligé d'aviser l'agent des terres fédérales du district dans lequel le terrain est situé du fait qu'il s'était ainsi enrôlé, en temps opportun pour permettre à l'agent de noter le fait dans les livres afin d'empêcher l'annulation de l'inscription par procuration parce que l'inscrit ne s'est pas présenté avant l'expiration des six mois de la date de l'inscription.

Rien dans ces règlements ne sera censé conférer un droit quelconque dans le cas d'une inscription par procuration qui a déjà été annulée parce que l'inscrit ne s'est pas présenté à l'agent comme le prescrivent les dispositions de l'arrêté en conseil du 26 août 1908.

Dans tous les cas où l'annulation a déjà été faite conformément aux stipulations de l'arrêté en conseil ci-dessus mentionné, le Ministre de l'Intérieur peut rétablir cette inscription s'il constate que le terrain concerné est encore vacant et disponible, et dès que cette inscription sera renouvelée elle deviendra sujette aux dispositions du présent arrêté en conseil.

SON ALTESSE ROYALE LE GOUVERNEUR  
GÉNÉRAL EN CONSEIL.

AU comité du Conseil prive a été soumis un rapport du Ministre de l'Intérieur, daté le 31 janvier 1916, représentant qu'en vertu des dispositions d'un arrêté en conseil daté le 28 janvier 1915, le troupier Lorn Mulloy, maintenant le professeur Mulloy, de Kingston, Ontario, qui pour ses services dans le Sud-Africain a obtenu le mandat numéro 6003 sous l'empire de la *Loi autorisant une gratification aux volontaires qui ont servi la Couronne dans le Sud-Africain* a été autorisé, dès qu'il aura remis au Département le mandat en question ou un bon d'indemnité, dans le cas où il ne pourrait produire le mandat, ainsi que la preuve satisfaisante qu'il n'a pas fait cession du mandat, de choisir au cours de l'année 1915 deux quarts de section adjacents disponibles pour l'inscription de homestead, qui lui seraient vendus au prix d'un dollar l'acre en pleine compensation du titre que lui donne le mandat numéro 6003, dont il n'a pu retirer aucun profit, étant incapable à cause des blessures reçues en service actif pendant la campagne sud-africaine, qui ont résulté en une cécité complète, de se conformer aux conditions de résidence et de culture requises en rapport avec ces concessions de terrain.

M. Mulloy, qui a déposé les documents nécessaires concernant la perte du mandat, ainsi qu'un bon d'indemnité, n'a pas choisi dans le temps spécifié le terrain qu'il désire acheter et a demandé un prolongement de délai.

Le Ministre est d'avis que cette demande devrait être accordée et il recommande que M. Mulloy, dont tout le nom est Lorne W. R. Mulloy, puisse choisir deux quarts de section adjacents de terres fédérales disponibles pour l'inscription de homestead dans les provinces de Manitoba, Alberta ou Saskatchewan, et que dès qu'il aura avisé le Département de l'Intérieur de son choix au cours de la présente année 1916, le terrain ainsi choisi lui soit vendu au prix de \$1.00 l'acre en pleine compensation du mandat numéro 6003 ci-dessus mentionné.

Le comité agréé cette recommandation et la soumet pour approbation.

GÉNÉRAL EN CONSEIL.

ATTENDU que l'article 22 des règlements pour l'administration des réserves forestières fédérales, approuvés par un arrêté en conseil du 8 août 1913, stipule que la demande d'un permis de couper le bois gratuitement concédé à un colon doit être faite dans les cinq ans de la date de l'inscription de homestead ;

Et attendu que des représentations ont été faites au Ministère de l'Intérieur que l'application de cette stipulation pouvait nuire à quelques-uns des colons des districts voisins des réserves forestières dans la Saskatchewan-Nord ;

Et attendu qu'une enquête à ce sujet révèle qu'à causes des conditions climatiques et autres dans certaines des régions du nord, nombre de colons n'ont pu développer leur homestead aussi rapidement que d'autres plus favorablement situés, et qu'en conséquence ils souffriront probablement de l'application des dispositions de l'article ci-dessus nommé,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil afin de permettre à ces colons d'obtenir la concession gratuite de leur bois et de leur donner un avis suffisant du délai de cinq ans—de décréter par ces présentes que le délai soit prolongé de cinq à huit ans dans les réserves forestières de Porcupine, Pasquia, Fort-à-la-Corne, Sturgeon et Big River, dans la Saskatchewan, et la réserve de Lesser Slave, dans l'Alberta, cette extension du délai devant durer jusqu'au 1er jour de mai 1918.

ATTENDU que les Commissaires du district scolaire n° 3028 de la province de la Saskatchewan ont demandé la permission d'acheter quatre acres de terrain sur la borne nord du quart nord-est de la section 29,

township 21, rang 22, à l'ouest du 3e méridien, pour l'emplacement d'une école, et aussi d'acquérir une lisière de terrain de trente-trois pieds de large sur la borne nord du quart de section entre l'emplacement de l'école et la réserve de chemin, ainsi qu'indiqué sur le tracé ci-joint, pour un chemin qui donnera accès au terrain de l'école ;

Et attendu qu'en vertu des dispositions de la *Loi des terres fédérales* le Ministre de l'Intérieur peut vendre par vente privée aux commissions scolaires le terrain requis pour des emplacements d'école dans les sections scolaires ou pour des fins qui s'y rapportent, pourvu que la demande des commissaires soit approuvée par le Ministre ou le sous-ministre de l'Education de la province où le terrain est situé ;

Et attendu que dans le cas présent la demande des commissaires a été dûment approuvée par le sous-ministre de l'Education de la province de la Saskatchewan et que le terrain requis pour l'emplacement de l'école, comprenant quatre acres, a été en conséquence vendu à la commission scolaire conformément aux dispositions de la *Loi des terres fédérales* ;

Et attendu que la *Loi des terres fédérales*, ne contient aucune disposition concernant la vente, dans les sections scolaires, de terrains requis pour des chemins et que les commissaires ont été avisés que tout ce qui pouvait être fait était de réserver par arrêté en conseil la lisière de terrain de trente-trois pieds de large requise pour un chemin public le long de la borne nord du quart de section entre l'emplacement de l'école et la réserve de chemin sur la borne est de la dite section ;

Et attendu que la *Loi des terres fédérales* prescrit aussi que tous les terrains vendus aux commissions scolaires pour emplacements d'école doivent être adjacents à une réserve de chemin, et qu'il est nécessaire, par conséquent, d'ouvrir un chemin pour donner accès à ce terrain,—

A ces causes, il plaît à Son Altesse Royale le Gouverneur général en conseil d'autoriser par ces présentes la mise en réserve, durant le bon plaisir du Gouverneur général en conseil, d'une lisière de terrain d'une demi-chaîne de large sur la borne nord du quart nord-est de la section 29, township 21, rang 22, à l'ouest du 3e méridien, située entre l'emplacement de l'école et la réserve de chemin sur la borne est de la dite section, ainsi qu'indiqué sur le tracé ci-joint, afin de donner accès au terrain de l'école.

## HOTEL DU GOUVERNEMENT À OTTAWA

Mardi, le 8e jour de février 1916.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR  
GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 29 janvier 1916, représentant que par un arrêté en conseil du 11 mars 1915, il a été prescrit que vu que ces claims miniers dans le nord des provinces de Manitoba, Saskatchewan et Alberta, sont d'un accès difficile, et qu'en vue des conditions exceptionnelles créées par la guerre il soit accordé aux propriétaires enregistrés de claims miniers, acquis sous l'empire des règlements ci-dessus mentionnés et situés dans le nord de ces provinces (c'est-à-dire dans les régions au nord de la borne sud du township 17, dans la province de Manitoba, au nord de la borne sud du township 47, dans la province de la Saskatchewan, et au nord de la borne sud du township 60, dans la province d'Alberta), un délai d'un an de la date du dit arrêté en conseil pour fournir la preuve qu'ils ont dépensé en travaux miniers sur ces concessions la somme requise par l'article 41 des règlements précités ;

Le Ministre ajoute que des représentations ont été faites au Département de l'Intérieur à l'effet que les obstacles au développement des claims miniers dans le nord des provinces ci-dessus énumérées n'ont pas disparu et que les difficultés d'exploitation n'en sont pas moindres,—

Par conséquent, le Ministre recommande que les dispositions de l'arrêté en conseil du 11 mars 1915, ci-dessus mentionné, s'appliquent encore pour une période d'un an, soit jusqu'au 11 mars 1917.

Le comité agréé cette recommandation et la soumet pour approbation.

## DEMANDES AU PARLEMENT.

## CHAMBRE DES COMMUNES.

## RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

## Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

## Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion

de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

## Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

- |  |           |
|--|-----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$ 100 00 |
| (b) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième .....     | 100 00    |
| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session.....                                     | 200 00    |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000 et n'excède pas \$500,000.....                           | 100 00    |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000.....                          | 150 00    |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000.....                        | 200 00    |
| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000.....                      | 300 00    |
| (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000 et n'excède pas \$2,000,000.....                       | 400 00    |
| (i) Pour chaque million ou fraction de million de dollars additionnel.....   | 100 00    |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,

Greffier des Communes.

## RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,  
Greffier du Sénat.

Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada* il doit en être publié un semblable, comme il suit :—

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

d'un avis dans la *Gazette du Canada* ; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans *quelque journal important* comme suit :—

A. Lorsque la demande sera faite pour un acte constituant en corporation,—

1. *Une compagnie de chemin de fer ou de canal* :— Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés

4. *Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommiss ; une compagnie de prêt ; ou une compagnie industrielle*, sans pouvoirs exclusifs quelconques :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la

plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes :—

#### CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit"

#### CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a.) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région ; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait ;

(b.) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

#### SENAT.

#### SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. ### THE NORTHERN CROWN BANK.

#### *Avis et Règlement.*

RÈGLEMENT pour réduire le capital-actions de la banque dite "Northern Crown Bank."

ATTENDU que le capital-actions payé de la Northern Crown Bank s'élève à la somme de \$2,859,272.32 ;

Et attendu que de cette somme celle de \$2,853,300 a été payée en considération de 28,533 actions qui ont été souscrites et émises comme entièrement payées, et que la balance de \$5,972.32 a été payée en considération de 91 actions souscrites mais non émises, et qu'il reste dû payable à la dite banque en considération d'icelles pour appels et versements la somme de \$3,127.68 ;

Et attendu qu'il est désirable de pourvoir à un fonds pour dépenses casuelles et à un fonds de réserve suffisant comme protection contre une dépréciation des placements, des immeubles et meubles meublants de la banque, se précautionner contre tous comptes mauvais, douteux et en souffrance, et pourvoir au paiement des dividendes ;

Et attendu qu'il est désirable pour ces fins et en vue de permettre à la banque de continuer utilement ses affaires et de réaliser pour ses actionnaires les plus grands bénéfices possible, de réduire le capital-actions de la banque dite "Northern Crown Bank" comme il est pourvu ci-après,—

*En conséquence les actionnaires de la banque dite "Northern Crown Bank," maintenant réunis en assemblée générale annuelle, décrètent ce qui suit :—*

(1) Le capital-actions souscrit de la banque dite "Northern Crown Bank" est par le présent réduit à \$1,431,200 divisé en 14,132 actions d'une valeur au pair de \$100 chacune, en réduisant le nombre actuel des actions souscrites de la Banque comme suit, savoir :— Pour et au lieu de chaque deux actions détenues par les actionnaires inscrits le 18e jour de janvier A.D. 1916, une action de \$100 chacune, sera livrée à tel actionnaire.

(3) Dans chaque cas où un actionnaire détiendra un nombre tel des actions actuelles n'étant pas divisible en nouvelles actions sans laisser un résidu, et toutes les fois que tel actionnaire sera incapable de faire des arran-

gements avec un autre actionnaire par achat, vente ou autrement, selon le cas, afin qu'il puisse détenir un nombre d'actions pouvant être divisé sans laisser de résidu, alors tel actionnaire et un nombre d'autres actionnaires dans la même position pourront remettre à la Banque les actions restantes ou indivisibles qu'ils détiennent entre eux et en conséquence, du stock nouveau sera remis en retour d'icelles, à eux, ou à aucun d'eux, conjointement, afin qu'ils puissent en disposer en commun pour leur bénéfice ; et si le 30ième jour de décembre 1916, aucun tel résidu ou actions indivisibles restent sans avoir été converties la Banque, par ses directeurs, aura le droit de les rappeler et d'émettre de nouvelles actions en leur place dans la proportion mentionnée ci-dessus et de faire vendre telles nouvelles actions de la manière que les directeurs de la Banque jugeront comme devant produire la plus grande recette et distribueront après le produit net de telle vente parmi les actionnaires y ayant droit sur la remise par tels actionnaires, respectivement, d'une décharge appropriée.

(4) Rien de contenu dans le présent ou fait ci-après ne pourra en aucune manière affecter ou diminuer la présente responsabilité des détenteurs d'actions impayées ou non complètement payées, d'acquitter le plein montant de telles actions au montant nominal actuel.

(5) Rien de contenu dans les présentes ne sera interprété comme diminuant ou variant la responsabilité des actionnaires de la banque dite "Northern Crown Bank," envers ses créanciers actuels.

Ce règlement deviendra applicable, exécutoire et en vigueur après qu'un certificat l'approuvant aura été émis par le Conseil de la Trésorerie, en conformité de la *Loi des Banques*.

Extract from the LONDON GAZETTE, 28th January, 1916.

AT THE COURT AT BUCKINGHAM PALACE,  
THE 27TH DAY OF JANUARY, 1916.

tion) Order, 1914 (hereinafter referred to as the  
Principal Order), the Aliens Restriction (Belgian  
Refugees) Order, 1914, the Aliens Restriction (Amend-  
ment) Order, 1915, and other Orders in Council, His  
Majesty has been pleased to impose restrictions on  
aliens, and to make various regulations for carrying  
those restrictions into effect ;

And whereas it is expedient to amend and extend  
the provisions of those Orders in manner hereinafter  
appearing,—

Now, therefore, His Majesty is pleased, by and with  
the advice of His Privy Council, to order, and it is  
hereby ordered, as follows :—

Extension of Article 19 of Principal Order.

1. As from the fourteenth day of February, nineteen  
hundred and sixteen, Article 19 of the Principal Order  
(which imposes certain requirements as to registration  
of aliens residing in prohibited areas) shall be extended  
so as to impose the same requirements as respects aliens,  
wherever resident ; and accordingly that Article shall  
have effect as though the words " residing in a prohi-

bited area, and an alien enemy," were omitted there-  
from :

Provided that—

(a) a Secretary of State may by order direct that  
in any areas specified in the said Article as amended  
by this Article shall not apply in respect of that area  
to alien friends resident in the area at the date when  
this Article comes into operation ; and

(b) the said Article as amended by this Article  
shall not apply in the case of Belgian refugees.

Additional Restrictions on Aliens in respect of Prohibited  
Areas.

2. The following article shall, as from the date fixed  
thereunder, be substituted for Article 2 of the Aliens  
Restriction (Amendment) Order, 1915 :—

(1) As from such date as may be fixed by order of a  
Secretary of State an alien shall not, without the  
special permission of the Registration Officer, enter or  
be in any prohibited area unless he has in his possession  
an identity book obtained in pursuance of this Order  
and duly filled in and attested :

Provided that—

(a) where an alien is at the date of this Order  
resident and duly registered in a prohibited area,  
this provision shall not apply to him in respect of  
that area so long as he is resident therein.

(b) a Secretary of State may exempt from the  
provisions of this Article any class of aliens, where  
he is satisfied that satisfactory means are provided for  
their identification, other than the possession of an  
identity book ; and

(c) an alien coming from any place out of the  
United Kingdom and landing in the United King-

dom without an identity book may, subject to the provisions of the Principal Order, be allowed to proceed to his destination in the United Kingdom if the passport or other document with which he is required to be furnished on landing in the United Kingdom contains, or if he supplies, such of the particulars contained in the schedule to this Order as may be required by an aliens officer; but any such alien shall proceed directly to his destination, and on arriving there shall, within twenty-four hours, comply with all the provisions which are applicable to him of the Principal Order, as amended by any subsequent Order, including this Order; and

(d) this Article shall not apply to an alien who enters or is in a prohibited area for the sole purpose of immediate embarkation at a port therein; and

(e) this Article shall not apply to an alien who appears under the age of eighteen and is in the care of some other person who is over that age.

If any alien when so required by any officer, or by any soldier or sailor engaged on sentry patrol or other similar duty, or by any aliens officer or police constable, fails to produce his identity book at any time when he is required to be in possession of the same under this Article, he may, without prejudice to any other penalty, be detained pending the making of enquiries as to his identity, and whilst so detained shall be deemed to be in legal custody.

(2) Subject to the special or general instructions of a Secretary of State, any alien who has after this Article comes into operation entered a prohibited area in which he was not resident at the date of this order may be ordered by the registration officer for that area to leave the area forthwith, and not to enter that area subsequently without his special permission; any such order shall be entered in the alien's identity book, and the alien shall comply with the order.

(3) Where any such special permission of a registration officer, as aforesaid, has been granted subject to any conditions, and the person to whom it is granted fails to comply with any such condition, he shall be deemed to be guilty of a contravention of the Principal Order.

be false, he shall be deemed to be guilty of a contravention of the Principal Order.

(2) The keeper of every hotel, inn, boarding-house, or lodging-house, shall also, if directions for the purpose are issued by a Secretary of State, make to the registration officer of the registration district in which the hotel, inn, boarding-house, or lodging-house is situate, such returns as to the persons staying at the hotel, inn, boarding-house or lodging-house, at such times or intervals, and in such form as may be specified in such directions, and if he fails to do so, or makes any false return, he shall be deemed to be guilty of a contravention of the Principal Order.

(3) It shall be the duty—

(a) of the keeper of every hotel, inn, boarding-house, and lodging-house, with a view to ascertaining whether any person staying at the hotel, inn, boarding-house or lodging-house is or is not an alien, to require every person (whether an alien or not) who stays at the hotel, inn, boarding-house, or lodging-house to furnish to him in such form as may be prescribed by the Secretary of State the particulars contained in that form; and

(4) Every register kept under this Article, and all particulars furnished under this Article, shall at all reasonable hours be open for inspection by any officer of police or by any person authorized by a Secretary of State.

The Minister, therefore, recommends that William Hall Powell, of Vancouver, British Columbia, Dominion Land Surveyor, be appointed as special examiner under the provisions of The Dominion Lands Surveys Act.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA

Tuesday, the 25th day of January, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a Report, dated 14th of January, 1916, from the Minister of the Interior, submitting that the Canadian Northern Alberta Railway Company, Limited, has applied for a licence to occupy certain Dominion lands in the Province of Alberta, being a portion of the bed of the Athabaska river situated in the North half of section 1, township 51, range 26, west of the 5th meridian, and more particularly hereinafter described for the purpose of constructing and maintaining thereon a railway bridge across the said river.

The Minister states :—

That by an Order in Council dated 30th day of August, 1913, the Minister of Public Works was authorized to approve the plan of the said bridge subject to certain conditions, one of which was that the said Company should procure from the Department of the Interior the requisite license to occupy the said river bed lands for the purpose stated :

That by an Order in Council dated 29th day of October, 1913, the Minister of Interior was authorized to issue in favour of the said Company a license to occupy the said lands for a term of ten years, renewable under certain conditions :

That the said license of occupation has not been issued and that since the last mentioned Order in Council was passed the Department of the Interior has adopted a uniform policy in cases where river bed lands are required for railway bridge purposes, namely, to make any such license effective for such term as may be required for the purpose of maintaining the bridge in question in connection with the operation of the particular railway concerned.

The Minister, therefore, recommends that he be authorized to issue a license of occupation in favour of the Canadian Northern Alberta Railway Company, Limited, for that portion of the bed of the Athabaska river described as follows :—

That certain parcel or tract of land, being a part of the bed of the Athabaska river, situate in the north half of section one in the fifty-first Township, in the twenty-sixth Range, west of the Fifth Meridian, in the Province of Alberta, as the said section one is shown on a plan of the said township approved and confirmed by E. Deville, Surveyor General of Dominion Lands at Ottawa, on the twenty-third day of December, one thousand nine hundred and twelve, which said parcel may be more particularly described as follows :—

Bounded on the east and west by the right and left banks respectively of the Athabaska river ; and on the north and south by lines parallel to and one hundred feet perpendicularly distant on each side from a line and the production thereof, which line being the centre line of the Canadian Northern Alberta Railway intersects the said banks and runs on an astronomical bearing of south sixty-five degrees and twenty-five minutes west through a point situate one thousand three hundred and seventy-nine feet and four-tenths of a foot, more or less, north, and two thousand one hundred and thirty feet and eight-tenths of a foot, more or less, west of the southeast corner of the northeast quarter of the said section one ; the said parcel containing an area of two acres and seven-tenths of an acre, more or less, and shown coloured pink on the sketch hereto attached.

The said license of occupation to be for such length of time as the bridge may be required in connection with the operation of the railway at an annual rental of \$1.00 per annum ; and to be subject in respect of the construction and maintenance of the said bridge, to full compliance by the Company with the provisions of the Navigable Waters Protection Act.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 12th day of February, 1916.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 7th February, 1916, from the Minister of the Interior, submitting that the Superintendent of School Lands, Winnipeg, has reported that after consultation with the several Inspectors of School Lands, he is strongly of the opinion that it would be in the interests of the School Lands Endowment Funds to hold a series of Auction Sales of School Lands in the Provinces of Manitoba, Saskatchewan and Alberta during the coming spring or in the early part of the summer.

Before taking any final action in the matter, the Minister consulted the Premiers of the three provinces as to the advisability of holding the sales referred to, and they have each expressed their concurrence and have stated that in their opinion it would be an opportune time to place some of these lands on the market.

It is proposed to hold the auction sales at the following points:—

Glenella, Manitoba.	Indian Head, Saskatchewan.
Dauphin, “	Moosejaw, “
Rosburn, “	Wymark, “
	Kindersley, “
Kamsack, Saskatchewan.	
Redvers, “	Carmangay, Alberta.
Moosomin, “	Vulcan, “
Broadview, “	Munson, “

It is represented to the Minister that in view of the phenomenal crop of last season and of the good prices prevailing, and also of the strong demand existing for these lands, that the sales should realize excellent prices.

As the Minister concurs in this view, and as he is of the opinion that it would be in the interests of the Educational Endowment Funds of the three provinces mentioned to place some of the School Lands on the market, as no general sales have been held for the past three years, he recommends that he be authorized to have auction sales of School Lands held at the points before mentioned at dates to be determined later, but which would probably begin in the early part of June, the sales to be subject to the provisions of The Dominion Lands Act relating to sales of School Lands.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

GENERAL IN COUNCIL.

WHEREAS a tract of land was surveyed and selected under the provisions of Treaty No. 1, for the Broken Head Indian Reserve No. 4, in Townships 15 and 16, Ranges 6 and 7, east of the Principal Meridian, but was never set apart for the Indians, as the northwest boundary thereof had not been sufficiently determined;

And whereas the adjustment of this northwest boundary has now been arranged satisfactorily with the Department of Indian Affairs, and plan and description of the reserve have been prepared;

And whereas the Minister of the Interior states that the lands are available for the purpose, according to the records of the Department of the Interior,—

Therefore His Royal Highness the Governor General in Council is pleased to order and it is hereby ordered that all those portions of Townships 15 and 16, in Ranges 6 and 7, east of the Principal Meridian, in the Province of Manitoba, shown outlined in red on the accompanying plan and not covered by the waters of Broken Head River, reserving thereout and therefrom the most northerly 5 chains and 19 links in perpendicular width of river lot numbered 2 and all of river lot numbered 3, be withdrawn from the operation of The Dominion Lands Act, and be set apart as a reserve for the Indians, said lands containing an area of 13,720 acres, more or less, less the area covered by the said waters of Broken Head River, and as shown outlined in pink on the plan hereto attached.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 12th day of February, 1916.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 5th February, 1916, from the Minister of the Interior, submitting that an application has been made to the Department of the Interior by Mr. Henry Toke Munn on behalf of the Arctic Gold Exploration Syndicate, Limited, whose head office is in Toronto, Ontario, to purchase a parcel of unsurveyed land situate on Bylot Island, in Baffin Bay, in the Arctic Seas, in the Dominion of Canada, in approximate north latitude of 72° 53', approximate west longitude of 76° 15', situate at the junction of a creek flowing into Button Harbour with the south shore of the said Island and about three-quarters of a mile east of the point of land known as Button Point, and which may be more particularly described as follows:—

Beginning at the intersection of the right bank of the said creek with the said south shore of the said Island, thence in a northerly direction, following the said right bank of the said creek to a point in a line drawn due east from a point distant fourteen chains and fourteen links due north, from the said intersection of the said bank of the creek with the said shore line, thence due west a distance of fourteen chains and fourteen links, thence due south to intersection with the said south shore of the said Island, thence in an easterly direction, following the said south shore to the place of commencement, and containing by admeasurement twenty acres more or less, and as shown outlined in pink on the sketch hereto attached.

The Minister is of the opinion—the parcel of land applied for being available for the purpose, according to the records of the Department of the Interior—that the application should be favourably considered, and he therefore, recommends that the land above described be sold to the said company at the rate of \$1.00 an acre, and that upon payment therefor being remitted to the Department of the Interior, letters patent for the said land be issued to the Arctic Gold Exploration Syndicate, Limited, subject, however, to such letters patent containing, in addition to the usual reservations and provisos in letters patent for grants of Dominion Lands, a proviso to the effect that the Surveyor General of Dominion Lands may, at any time, cause a survey to be made of the lands granted and that his decision as to the location of the grant and of its boundaries and the extent of the grant shall be final, whether it does or does not agree with the description in the letters patent.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 3rd February, 1916, from the Minister of the Interior, stating that representations have been made to the Department of the Interior that Muskiki Lake, situated in Township 39, Ranges 26 and 27, west of the 2nd Meridian, in the Province of Saskatchewan, contains certain springs from which sulphate of magnesia (Epsom Salts) rises in solution ; that the waters of the lake have become impregnated with this salt ; and that it has been precipitated in the form of crystals in the bed of the lake.

That application has been submitted by J. O. Carss, LL.B., Barrister of Ottawa, on behalf of a company which is being organized, for permission to acquire under lease for a term of years the right to the sulphate of magnesia in the bed of this lake, which contains an area of about eight square miles, and the applicant states that in case his application is favourably considered, a plant for the utilization of this product will be established, capable of producing for shipment from fifty to one hundred cars of the product during the first year.

That the reports on file in the Department of the Interior appear to indicate that the lake is very shallow ; that it is situated in a hollow, with gently sloping sides ; that it is more than one hundred feet below the general level of the country : that as it has no outlet, it is not capable of being drained ; and that as the waters of the lake hold in solution large quantities of mineral salts, the water cannot be used for domestic, irrigation or steam purposes, and is therefore worthless as water.

That an analysis made by Dr. F. T. Shutt, Dominion Chemist, of several samples of water taken from this lake, shows that it contains from 3.99 per cent. to 6.35 per cent. of magnesia, the mineral for which application has now been made.

That it would appear from the reports received that this lake does not contain large quantities of the mineral applied for, that owing to the fact that sulphate of magnesia is one of the cheapest of the salts, its extraction could only be undertaken with any hope of commercial success over a very much larger area than contained in an ordinary mineral claim ; and as the waters and bed of the lake appear to be of no other value, the Minister recommends that he be authorized to issue a lease in favour of the applicant of such rights as the Crown may possess to the sulphate of magnesia deposits over the area covered by the waters of this lake, subject, however, to the following special terms and conditions :—

1. The term of the lease to be five years, subject to renewal for further terms of five years each, provided the conditions of the lease have been fully complied with.

2. The rental to be at the rate of 10 cents an acre per annum, payable yearly in advance.

3. The lease to be subject to such rights as may be granted to the waters of the lake.

4. The lessee to instal within one year from the date of the lease machinery and plant to the value of at least \$5,000 necessary for winning, collecting and refining the deposits of sulphate of magnesia claimed to exist, and to furnish evidence to the satisfaction of the Minister of the Interior of the installation of such machinery and plant within the same period.

5. That the lessee shall at the end of the second and each succeeding year of the term of the lease furnish evidence to show that he has expended the sum of at least \$2,500 during the year in actual operations, with a view to acquiring and treating the salt covered by the lease, and in case active operations on the location for this purpose are at any time suspended for a period of six months, the lease shall be subject to immediate cancellation in the discretion of the Minister of the Interior.

6. Failure to comply with any of the conditions set out in the lease which may be issued shall render that instrument subject to immediate cancellation in the discretion of the Minister.

The Committee concur in the foregoing recommendation and submit the same for approval.

35-4

Clerk of the Privy Council.

## AT THE GOVERNMENT HOUSE AT OTTAWA

Tuesday, the 8th day of February, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 29th January, 1916, from the Minister of the Interior, stating that by an Order in Council of the 11th March, 1915, provision was made that in view of the difficulties of access to mineral claims situated in the northern portions of the Provinces of Manitoba, Saskatchewan and Alberta, and the exceptional conditions brought about by the war, the recorded owners of mineral claims acquired under the regulations for the disposal of quartz mining claims, situated in the northern portions of the provinces above enumerated (that is, those portions lying north of the southern boundary of Township 17 in the Province of Manitoba, those portions lying north of the southern boundary of Township 47 in the Province of Saskatchewan, and those portions lying north of the southern boundary of Township 60 in the Province of Alberta) be granted an extension of time for one year from the date of that Order in Council, within which to furnish evidence of the required expenditure in mining operations upon such locations, as required by section 41 of the said regulations for the disposal of quartz mining claims;

The Minister further states that representations have been made to the Department of the Interior that the obstacles to the development of mineral claims in the northern portions of the Provinces above enumerated have not been removed, and that the difficulties of operation have not been lessened,—

The Minister, therefore, recommends that the provisions of the Order in Council of the 11th March, 1915, above referred to, be extended for a period of one year,—that is up to the 11th day of March, 1917.

The Committee concur in the foregoing recommendation and submit the same for approval.

AT THE GOVERNMENT HOUSE AT OTTAWA:

Friday, the 4th day of February, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 31st January, 1916, from the Minister of the Interior, submitting that under the provisions of the Order in Council, dated the 28th January, 1915, Trooper Lorne Mulloy, now Professor Mulloy of Kingston, Ontario, to whom South African Volunteer Bounty Land Certificate No. 6003 was issued in connection with his services in South Africa, was authorized upon returning to the Department the certificate in question or filing a bond of indemnity in the event of his not being able to produce the certificate, with satisfactory proof that no assignment of the certificate had been made to select during the year 1915 two adjacent quarter-sections of available Dominion Lands open to homestead entry which would be sold to him at the rate of \$1 an acre in full satisfaction of his claim under the said South African Volunteer Bounty Land Certificate No. 6003, from which he had derived no benefit, being unable, on account of injuries received while on active service during the South African campaign which resulted in total blindness, to comply with the conditions as to residence and cultivation required in connection with the location of such certificates.

Mr. Mulloy, who filed the necessary documents respecting the loss of the certificate together with a bond of indemnity, failed to select the land he desires to purchase within the time specified and has applied for an extension thereof.

The Minister, being of the opinion that such application should receive favourable consideration, recommends that Mr. Mulloy, whose full name is Lorne W. R. Mulloy, be allowed to select two adjoining quarter-sections of available Dominion Lands open to homestead entry in the Provinces of Manitoba, Alberta or Saskatchewan and that upon his notifying the Department of the Interior of such selection during the present year, 1916, a sale of the land so selected be made to him at the rate of \$1.00 an acre in full satisfaction of his claim under the said South African Volunteer Bounty Land Certificate No. 6003, above referred to.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA

Friday, the 4th day of February, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

HIS Royal Highness the Governor General in Council is pleased to order that the regulations for the survey, administration, disposal and management of Dominion lands within the Forty-mile Railway Belt in the Province of British Columbia shall be and the same are hereby amended as follows :—

Sub-sections "a" and "b" of Section 19 of Order in Council of the 17th September, 1889, are hereby rescinded and the following provisions substituted therefor :

(a) Application for homestead entry by proxy may be made by a person applying on behalf of a husband, father, mother, son, daughter, brother or sister, when duly authorized to do so in the form prescribed. In such case the proxy shall appear in person before the agent of Dominion Lands for the District in which the land applied for is situated. Application for entry by proxy shall not be accepted by a sub-agent. The homesteader on whose behalf such entry is made

must, before the expiration of six months from the date of the entry, appear personally before the agent for the District (not a sub-agent) and satisfy him by declaration so provided that he is already in residence or on his way to commence such residence, and in the latter case that he will be in residence before the end of the six months. Should he fail to appear, the agent shall cancel the entry without notice at the end of six months from date of entry. No extension of time within which to commence residence duties shall be granted in connection with a proxy entry. The provisions of this paragraph shall be retro-active so as to apply to the case of any entry made by proxy before the coming into force of this order.

(b) Notwithstanding anything contained in the above provisions, if any person who is a member of any body or force serving with the forces of Great Britain or of any of her Allies during the present European War, secures entry for a homestead on Dominion lands by proxy, such entry, whether secured before or after the date at which the entrant enlisted or was recalled for active military service, shall take the same standing, and be dealt with in the same way as if it had been made in person instead of by proxy; and the person on whose behalf such proxy entry is made shall be entitled to share in the benefits of the Orders in Council of the 17th October, 1914, 19th June, 1915, and 6th January, 1916, in so far as the same would be applicable to him if his entry had been made in person.

Nothing in these regulations shall be held to confer any right or claim upon any entrant who, being engaged on active military service as aforesaid, has failed to notify the agent of Dominion Lands for the district in which the land is situated of the fact of his being so engaged, in ample time to enable the agent to note the fact in his records so as to prevent the cancellation of the proxy entry for non-appearance at the end of six months from the date thereof.

Nothing in these regulations shall be held to confer any right or claim in the case of any proxy entry which has already been cancelled for non-appearance.

In any case where cancellation has already been carried out the Minister of the Interior may restore such entry provided he finds that the land affected thereby is still vacant and available for the purpose, and upon restoration such entry shall thereupon become subject to the provisions of this Order in Council.

##### SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

*As Revised and brought in force 22nd March, 1906*

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.
- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
  - (a) The respondent's residence at the time of sending such notice.
  - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
  - (c) The name and address of the solicitor, if any, acting for the respondent.
  - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

## DÉPÊCHES, Etc.

(Extraits du Deuxième Supplément de la LONDON GAZETTE du 21 janvier 1916.)

Il a gracieusement plu à Sa Majesté le Roi d'approuver que les officiers ci-dessous mentionnés soient nommés Compagnons de l'Ordre du Service Distingué, en récompense de leur bravoure et de leur dévouement en campagne :—

Le capitaine temporaire Ernest Charles Jackson, 5e bataillon canadien d'infanterie.

Pour sa bravoure incontestable le 15 décembre 1915. Il commanda l'attaque d'une barricade allemande avancée, sur le chemin de Messines, avec une grande vigueur et une grande détermination. Précédemment, le 7 novembre 1915, il fit preuve d'une audace inouïe en entrant dans une sape allemande vis-à-vis nos tranchées sur la côte 63, et en se retirant sous un feu violent.

Il a gracieusement plu à Sa Majesté le Roi de conférer la Croix Militaire aux officiers ci-dessous mentionnés, en récompense de leur bravoure et de leur dévouement en campagne :—

Au lieutenant Kenneth Leon Taylor Campbell, 5e bataillon canadien d'infanterie.

Pour sa bravoure incontestable le 15 décembre 1915, durant l'attaque d'une barricade allemande avancée sur le chemin de Messines. Ainsi que pour la bravoure dont il a fait preuve dans une attaque précédente des tranchées allemandes à la côte 63, le 16 novembre 1915.

Il a gracieusement plu à Sa Majesté le Roi d'approuver que la Médaille de Conduite Distinguée soit décernée aux sous-officiers à brevet, sous-officiers et hommes ci-dessous mentionnés pour des actes de bravoure et de dévouement pendant qu'ils faisaient du service dans les troupes expéditionnaires en France et dans les Flandres, aux Dardanelles, en Mésopotamie et dans l'Afrique Orientale :

16858, le sergent H. Ashby, 7e bataillon canadien d'infanterie.

Pour sa bravoure incontestable dans la nuit du 16/17 novembre 1915, près Messines. Les sergents Meyerstein et Ashby, avec quelques éclaireurs, travaillèrent durant quatre heures, par un beau clair de lune, à couper le fil métallique tout près d'une tranchée allemande fortement gardée. Ils jetèrent ensuite un pont sur la rivière Douve à environ 16 verges du parapet ennemi, et ils guidèrent nos escouades de bombardiers dans les sentiers qu'ils avaient ménagés. Leur sang-froid et leur courage ont rendu l'attaque possible.

16395, le sous-caporal E. L. Babcock, 7e bataillon canadien d'infanterie.

Pour sa bravoure incontestable et ses ressources, près Messines, dans la nuit du 16/17 novembre 1915. Les caporaux Babcock, Odium et Weir et le sous-caporal Berry travaillèrent durant quatre heures, par un beau clair de lune, à couper le fil métallique, tout près d'une tranchée allemande fortement gardée. Ils aidèrent aussi à jeter un pont sur la rivière Douve, à environ 16 verges du parapet allemand et ils guidèrent les escouades de bombardiers dans les sentiers qu'ils avaient ménagés. C'est grâce surtout à leur sang-froid et à leurs ressources si l'attaque put réussir.

10718, le sergent-major de compagnie B. Beaton, 4e bataillon canadien d'infanterie.

Pour sa bravoure incontestable à Wulverghem, le 20 octobre 1915, lorsqu'il s'offrit volontairement, avec le soldat J. Donaghue, pour aller au secours d'un camarade qui avait été atteint près des lignes ennemies. Il rampa 300 verges, trouva l'homme blessé dans un trou fait par un obus près des fils métalliques allemands, pensa ses blessures, et il dirigea le soldat Donaghue qui ramena le blessé dans nos tranchées.

77848, le soldat J. Berry, 7e bataillon canadien d'infanterie.

Pour sa bravoure incontestable et ses ressources près Messines dans la nuit du 16/17 novembre 1915.

Les caporaux Babcock, Odium et Weir et le soldat Berry travaillèrent durant quatre heures, par un beau clair de lune, à couper le fil métallique tout près d'une tranchée allemande fortement gardée. Ils aidèrent aussi à jeter un pont sur la rivière Douve, à environ 16 verges du parapet allemand et ils guidèrent les escouades de bombardiers dans les sentiers qu'ils avaient ménagés. C'est grâce surtout à leur sang-froid et à leurs ressources si l'attaque put réussir.

A/40677, le soldat R. A. Coles, 5e bataillon canadien d'infanterie.

Pour sa bravoure incontestable durant l'attaque et la capture d'une barricade avancée allemande sur le chemin de Messines le 15 décembre 1915.

16297, le caporal A. K. Curry, 7e bataillon canadien d'infanterie.

Pour son sang-froid évident et son courage lorsqu'il était en charge d'une escouade d'assiégeants durant une attaque au moyen d'obus près de Messines, dans la nuit du 16/17 novembre 1915.

10535, le soldat J. Donaghue, 4e bataillon canadien d'infanterie.

Pour sa bravoure incontestable à Wulverghem le 20 octobre 1915, lorsqu'il s'offrit volontairement pour se rendre, avec le sergent-major de compagnie Benton, au secours d'un camarade qui avait été grièvement blessé près des lignes ennemies. Ils rampèrent près de 300 verges, trouvèrent le blessé dans un trou creusé par un obus, et lorsque ses blessures furent pansées par le sergent-major de compagnie Benton, le soldat Donaghue revint en rampant avec le blessé sur son dos. Une escouade de secours avait déjà tenté de sauver le blessé, mais elle n'avait pu le trouver.

9902, le soldat G. L. Eastman, 3e bataillon canadien d'infanterie.

Pour sa bravoure incontestable à Wulverghem le 30 octobre 1915.

Lorsqu'il était en sentinelle dans les tranchées de la ligne de front, il vit un obus qui arrivait dans la tranchée. Cet obus serait tombé dans un trou dans lequel se trouvait deux de ses camarades, mais il se précipita, saisit l'obus et le jeta pardessus le parapet, alors que l'obus fit immédiatement explosion. Le sang-froid, l'audace et la présence d'esprit du soldat Eastman ont probablement été la cause que ses deux camarades ont eu la vie sauve.

A/24174, le soldat J. H. Lindsay, 5e bataillon canadien d'infanterie.

Pour sa bravoure incontestable et l'excellent travail qu'il a accompli entre le 12 et le 14 décembre 1915, en surveillant les mouvements de l'ennemi et en faisant des reconnaissances avant l'attaque de la barricade avancée allemande sur le chemin de Messines. Il était souvent exposé à un feu violent à une faible distance. Finalement, il se comporta d'une manière brillante lors de la capture de la barricade.

A/36224, le sergent-major de compagnie J. D. Matheson, 4e bataillon canadien d'infanterie.

Pour sa brillante conduite à Wulverghem le 20 octobre 1915. Deux des membres de sa patrouille ayant été blessés mais ne pouvant être retrouvés vu la violence du feu ennemi, il ramena le reste de ses soldats en sûreté dans nos lignes, puis il retourna seul, sous un feu violent, et il rampa près du réseau de fils de l'ennemi à la recherche de ses camarades blessés.

16799, le sergent W. C. Meyerstein, 7e bataillon canadien d'infanterie.

Pour sa bravoure incontestable dans la nuit du 16/17 novembre 1915, près Messines. Les sergents Meyerstein et Ashby, avec quelques éclaireurs, travaillèrent durant quatre heures,

par un beau clair de lune, à couper des sentiers dans le réseau de fils jusqu'à une tranchée allemande fortement gardée. Ils jetèrent ensuite un pont sur la rivière Douve, à environ 16 verges du parapet ennemi, puis ils guidèrent nos escouades de bombardiers dans les sentiers qu'ils avaient ménagés. Leur sang-froid et leur courage ont rendu l'attaque possible.

16679, le soldat H. Odlum, 7<sup>e</sup> bataillon canadien d'infanterie.

Pour sa bravoure incontestable et ses ressources, près Messines, dans la nuit du 16/17 novembre 1915.

Les caporaux Babcock, Odlum et Weir et le sous-caporal Berry travaillèrent durant quatre heures, par un beau clair de lune, à couper le fil métallique tout près d'une tranchée allemande fortement gardée.

Ils aidèrent aussi à jeter un pont sur la rivière Douve, à environ 16 verges du parapet allemand, et ils guidèrent des escouades de bombardiers dans les sentiers qu'ils avaient ménagés. C'est grâce surtout à leur sang-froid et à leurs ressources si l'attaque a réussi.

17163, le sergent A. Robertson, 7<sup>e</sup> bataillon canadien d'infanterie.

Pour son courage incontestable et l'excellent travail qu'il a accompli durant une attaque de bombardiers sur la Petite Douve, près Messines, dans la nuit du 16/17 novembre 1915.

429729, le sous-caporal K. Weir, 7<sup>e</sup> bataillon canadien d'infanterie.

Pour sa bravoure incontestable et ses ressources près Messines, dans la nuit du 16/17 novembre 1915.

### HOTEL DU GOUVERNEMENT À OTTAWA.

Mardi, le 25<sup>e</sup> jour de janvier 1916.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 14 janvier 1916, représentant que la compagnie dite "Canadian Northern Alberta Railway Company, Limited," a demandé un permis d'occupation de certaines terres fédérales dans la province d'Alberta, soit une partie du lit de la rivière Athabaska, située dans la moitié nord de la section 1, township 51, rang 26, à l'ouest du 5<sup>e</sup> méridien, et décrite plus minutieusement ci-dessous, pour y construire et entretenir un pont de chemin de fer traversant la dite rivière.

Le Ministre ajoute :

Que par un arrêté en conseil daté le 30 août 1913 le Ministre des Travaux publics a été autorisé à approuver le plan du dit pont, subordonné à certaines conditions, dont l'une était que la dite compagnie devait obtenir du Département de l'Intérieur le permis nécessaire d'occupation du lit de la dite rivière pour les fins mentionnées ;

Que par un arrêté en conseil du 29 octobre 1913 le Ministre de l'Intérieur a été autorisé à délivrer à la dite compagnie un permis d'occuper les dits terrains pour une période de dix ans, le permis étant renouvelable à certaines conditions ;

Que le dit permis d'occupation n'a pas été émis et que depuis qu'a été adopté le dernier arrêté en conseil le Département de l'Intérieur a eu pour coutume uniforme, dans les cas où il est nécessaire d'occuper le lit des rivières pour la construction de ponts de chemins de fer, de donner à ce permis la durée nécessaire pour l'entretien du pont en question en rapport avec l'exploitation du chemin de fer concerné :

A ces causes, le Ministre demande l'autorisation de délivrer un permis d'occupation à la compagnie dite "Canadian Northern Alberta Railway Company, Limited," d'une partie du lit de la rivière Athabaska, décrite comme suit :

Le terrain formant partie du lit de la rivière Athabaska, situé dans la moitié nord de la section 1 du township 51, rang 26, à l'ouest du 5<sup>e</sup> méridien, dans la province d'Alberta, ainsi qu'indiqué sur un plan du dit township approuvé et confirmé par E. Devile, arpenteur général des terres fédérales, à Ottawa, le 23 décembre 1912, lequel terrain peut être décrit plus minutieusement comme suit :—

Borné à l'est et l'ouest par les rives droites et gauches, respectivement, de la rivière Athabaska; au nord et au sud par des lignes parallèles à une ligne et son prolongement et éloignées de 100 pieds chaque côté de cette ligne, qui étant la ligne centrale du chemin de fer susdit, intersecte les dites rives et se prolonge dans une direction suivant un relèvement astronomique de 65 degrés sud et 25 minutes ouest par un point situé 1379.4 pieds, plus ou moins, nord, et 2130.8 pieds, plus ou moins, à l'ouest de l'angle sud-est du quart nord-est de la dite section 1; le dit terrain contient une superficie de 2.7 acres, plus ou moins, et est coloré rose sur le plan ci-annexé.

Le dit permis d'occupation sera pour telle période pendant laquelle le pont sera requis en rapport avec l'exploitation du chemin de fer; le loyer annuel sera de \$1 par année; le permis, quant à la construction et à l'entretien du pont est subordonné à la condition que la compagnie observera strictement les prescriptions de la *Loi de protection des eaux navigables*.

Le comité agréé ce qui précède et le soumet pour approbation.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que par un arrêté en conseil daté du 2 octobre 1911 a été autorisée la concession aux syndics de l'Eglise Catholique Grecque de "St. Joan" de 10 acres de terrain compris dans l'angle sud-est du quart sud-est de la section 4, township 56, rang 6, à l'ouest du 4<sup>e</sup> méridien, pour l'emplacement d'un cimetière ;

Et attendu qu'il a depuis été découvert que la demande aurait dû être faite au nom des syndics de l'Eglise Catholique Grecque de "St. John's" et que ces dix acres de terrain étaient requis pour les fins et d'une église et d'un cimetière,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil de rescinder le dit arrêté en conseil du 2 octobre 1911, et cet arrêté est par ces présentes rescindé en conséquence.

Dans ce cas le mandataire se présentera en personne devant l'agent des terres fédérales du district où est situé le terrain demandé. La demande d'inscription par procuration ne doit pas être agréée par un sous-agent. L'inscrit au nom duquel est faite cette inscription doit se présenter personnellement à l'agent du district (et non au sous-agent) dans les six mois de la date de l'inscription et faire une déclaration satisfaisante qu'il résidait sur le terrain ou qu'il a l'intention d'y résider et, dans ce cas, qu'il y résidera avant l'expiration des six mois. A défaut de se présenter à l'agent, celui-ci annulera l'inscription sans avis à l'expiration des six mois de la date de l'inscription. Aucun prolongement du délai ne sera accordé dans le cas d'inscription par procuration. Les dispositions de ce paragraphe seront rétroactives de manière à s'appliquer à toute inscription par procuration avant la mise en vigueur du présent arrêté.

Nonobstant toute stipulation du présent arrêté, si quelqu'un qui appartient à un corps quelconque servant dans les armées de la Grande-Bretagne ou d'un de ses alliés pendant la guerre européenne actuelle obtient par procuration l'inscription de homestead sur des terres fédérales, cette inscription, qu'elle ait été obtenue avant ou après la date où l'inscrit s'est enrôlé ou a été rappelé du service militaire actif, aura la même préséance et sera traitée de la même manière que si elle avait été faite en personne au lieu de l'avoir été par procuration ; et la personne au nom de laquelle cette inscription par procuration a été faite jouira des privilèges accordés par les arrêtés en conseil du 17 octobre 1914, 19 juin 1915 et 6 janvier 1916, en autant que ces arrêtés lui seraient applicables si son inscription avait été faite en personne.

Rien dans ces règlements ne sera censé conférer un droit quelconque à un inscrit qui, s'étant enrôlé dans le service militaire actif comme susdit, a négligé d'aviser l'agent des terres fédérales du district dans lequel le terrain est situé du fait qu'il s'était ainsi enrôlé, en temps opportun pour permettre à l'agent de noter le fait dans les livres afin d'empêcher l'annulation de l'inscription par procuration parce que l'inscrit ne s'est pas présenté avant l'expiration des six mois de la date de l'inscription.

Rien dans ces règlements ne sera censé conférer un droit quelconque dans le cas d'une inscription par procuration qui a déjà été annulée parce que l'inscrit ne s'est pas présenté à l'agent comme le prescrivent les dispositions de l'arrêté en conseil du 26 août 1908.

Dans tous les cas où l'annulation a déjà été faite conformément aux stipulations de l'arrêté en conseil ci-dessus mentionné, le Ministre de l'Intérieur peut rétablir cette inscription s'il constate que le terrain concerné est encore vacant et disponible, et dès que cette inscription sera renouvelée elle deviendra sujette aux dispositions du présent arrêté en conseil.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 31 janvier 1916, représentant qu'en vertu des dispositions d'un arrêté en conseil daté le 28 janvier 1915, le troupier Lorn Mulloy, maintenant le professeur Mulloy, de Kingston, Ontario, qui pour ses services dans le Sud-Africain a obtenu le mandat numéro 6003 sous l'empire de la *Loi autorisant une gratification aux volontaires qui ont servi la Couronne dans le Sud-Africain* a été autorisé, dès qu'il aura remis au Département le mandat en question ou un bon d'indemnité, dans le cas où il ne pourrait produire le mandat, ainsi que la preuve satisfaisante qu'il n'a pas fait cession du mandat, de choisir au cours de l'année 1915 deux quarts de section adjacents disponibles pour l'inscription de homestead, qui lui seraient vendus au prix d'un dollar l'acre en pleine compensation du titre que lui donne le mandat numéro 6003, dont il n'a pu retirer aucun profit, étant incapable à cause des blessures reçues en service actif pendant la campagne sud-africaine, qui ont résulté en une cécité complète, de se conformer aux conditions de résidence et de culture requises en rapport avec ces concessions de terrain.

M. Mulloy, qui a déposé les documents nécessaires concernant la perte du mandat, ainsi qu'un bon d'indemnité, n'a pas choisi dans le temps spécifié le terrain qu'il désire acheter et a demandé un prolongement de délai.

Le Ministre est d'avis que cette demande devrait être accordée et il recommande que M. Mulloy, dont tout le nom est Lorne W. R. Mulloy, puisse choisir deux quarts de section adjacents de terres fédérales disponibles pour l'inscription de homestead dans les provinces de Manitoba, Alberta ou Saskatchewan, et que dès qu'il aura avisé le Département de l'Intérieur de son choix au cours de la présente année 1916, le terrain ainsi choisi lui soit vendu au prix de \$1.00 l'acre en pleine compensation du mandat numéro 6003 ci-dessus mentionné.

Le comité agréé cette recommandation et la soumet pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 7 février 1916, représentant que le Surintendant des terres des écoles, à Winnipeg, a fait rapport qu'après consultation avec plusieurs inspecteurs des terres scolaires il est fortement d'avis qu'il serait de l'intérêt du fonds des écoles de faire une série de ventes à l'enchère des terres scolaires dans les provinces du Manitoba, Saskatchewan, et Alberta au cours du printemps prochain ou au commencement de l'été.

Avant de décider en la matière le Ministre a consulté les premiers ministres des trois provinces quant à l'opportunité de faire ces ventes, et chacun d'eux a exprimé son approbation et déclaré qu'à leur avis le temps serait opportun de mettre en vente certains de ces terrains.

Il est projeté de faire ces ventes à l'enchère aux endroits suivants :

Glenella, Manitoba,	Indian Head, Saskatchewan,
Dauphin, " "	Moose Jaw, " "
Rosburn, " "	Wynmark, " "
Kamsack, Saskatchewan,	Kindersley, " "
Redvers, " "	Carmangay, Alberta.
Moosomin, " "	Vulcan, " "
Broadview, " "	Munson, " "

Il a été représenté au Ministre qu'en vue de la récolte phénoménale de la dernière saison et des prix avantageux, ainsi que du fait que ces terrains sont en grande demande, ces ventes rapporteraient d'excellents prix.

Comme le Ministre est de la même opinion et qu'il est d'avis qu'il serait de l'intérêt du fonds des écoles, dans les trois provinces mentionnées, et comme aucune vente générale de terres des écoles n'a été faite dans les derniers trois ans, de mettre en vente certaines des terres scolaires, et il demande l'autorisation de faire mettre en vente à l'enchère ces terres scolaires aux endroits ci-dessus mentionnés à des dates qui seront fixées plus tard, mais qui seraient probablement dans les premiers jours de juin, les ventes devant être subordonnées aux stipulations de la *Loi des terres fédérales* concernant la vente des terres des écoles.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 5 février 1916, représentant que M. Henry Tole Munn, a demandé au Département de l'Intérieur au nom de la compagnie dite "Arctic Gold Exploration Syndicate, Limited," dont le bureau principal est à Toronto, Ont., d'acheter un terrain non arpenté situé sur l'île Bylot, dans la baie de Baffin, dans les mers arctiques, dans la Puissance du Canada, latitude nord approximative de 72 degrés 53 minutes, longitude ouest approximative de 76 degrés 15 minutes, situé à la jonction d'un creek se déversant dans le havre de Button avec la rive sud de la dite île et environ trois quarts d'un mille à l'est de la pointe de terre connue sous le nom de "Button Point", et qui peut être décrit plus minutieusement comme suit :

Commencant à l'intersection de la rive droite du dit creek avec la dite rive sud de la dite île ; de là, vers le nord, en suivant la dite rive droite du dit creek jusqu'à un point dans une ligne tirée franc est à partir d'un point éloigné de 14 chaînes et 14 chaînons franc nord de la dite intersection de la rive du dit creek avec le rivage de l'île ; de là franc ouest sur une distance de 14 chaînes et 14 chaînons ; de là franc sud jusqu'à l'intersection avec la rive sud de la dite île ; de là, vers l'est, en suivant la dite rive sud jusqu'au point de départ ; le terrain contient 20 acres plus ou moins et est coloré rose sur le plan ci-annexé.

Mardi, le 15<sup>e</sup> jour de février 1916.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR  
GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 3 février 1916, déclarant que des représentations ont été faites au Département de l'Intérieur que le lac Muskiki, situé dans le township 39, rangs 26 et 27, à l'ouest du 2<sup>e</sup> méridien, dans la province de la Saskatchewan, contient certaines sources donnant en solution du sulfate de magnésie (epsomite), que les eaux du lac en sont

imprégnées et qu'il a été précipité sur le lit du lac sous forme de cristaux.

J. O. Carss, LL.B., avocat d'Ottawa, a demandé au nom d'une compagnie qui s'organise actuellement d'acquiescer par bail, pour un certain nombre d'années, le droit à l'extraction du sulfate de magnésie du lit de ce lac, qui a environ 8 milles carrés de superficie. Le requérant déclare que si sa demande est accordée il sera installé pour l'exploitation de ce produit un outillage pouvant donner pour l'expédition de 50 à 100 wagons de ce produit pendant la première année.

Les rapports déposés au Département de l'Intérieur semblent indiquer que le lac est très peu profond; qu'il est situé dans un creux de terrain aux pentes douces; qu'il est à plus de 100 pieds au-dessous du niveau moyen de la région; que n'ayant aucun débouché il est impossible de le drainer; que les eaux du lac contenant en solution de grandes quantités de sels minéraux elles ne peuvent être employées à des fins domestiques, pour l'irrigation ou pour la production de la vapeur, et qu'elles n'ont, par conséquent, aucune valeur propre comme eau.

Une analyse faite par le docteur F. T. Shutt, chimiste fédéral, de plusieurs échantillons de l'eau de ce lac révèle qu'elle contient de 3.99 à 6.35 pour cent de magnésie, minéral pour l'extraction du duquel on présente maintenant une demande.

Il ressort des rapports reçus que ce lac ne contient pas de grandes quantités du minéral en question; que vu le fait que le sulfate de magnésie est l'un des sels qui a le moins de valeur marchande, son extraction ne pourrait être entreprise avec succès que sur une étendue beaucoup plus grande que celle des claims ordinaires; que les eaux et le lit du lac ne semblent avoir aucune autre valeur, le Ministre demande l'autorisation d'accorder aux requérants le bail des droits que peut avoir la Couronne aux dépôts de sulfate de magnésie sur la superficie couverte par les eaux du lac, mais subordonné aux conditions spéciales suivantes:—

1. La durée du bail sera de cinq ans, ce bail étant renouvelable pour de nouvelles périodes de cinq ans chacune, pourvu que les conditions aient été parfaitement remplies.

2. Le loyer sera de dix cents l'acre par année, payable d'avance annuellement.

3. Le bail est subordonné aux droits qui peuvent être accordés sur les eaux du lac.

4. Le locataire devra installer dans le délai d'un an de la date du bail des machines et un outillage d'une valeur d'au moins \$5,000 nécessaire pour l'exploitation, l'extraction et le raffinage des dépôts de sulfate de magnésie qu'on prétend exister, et prouver à la satisfaction du Ministre de l'Intérieur que ces machines et cet outillage ont été installés dans ce délai.

5. Le locataire devra à la fin de la deuxième année et de chaque année subséquente de la période de son bail, fournir la preuve qu'il a dépensé une somme d'au moins \$2,500 au cours de l'année en travaux d'exploitation en vue d'extraire et de traiter le sel dont il a la concession; au cas où les travaux d'exploitation seraient en aucun temps suspendus pendant six mois, le bail serait sujet à annulation immédiate à la discrétion du Ministre de l'Intérieur.

6. Le défaut de se conformer à une condition quelconque du bail qui peut être accordé rend ce bail sujet à annulation immédiate à la discrétion du Ministre.

Le comité agréé cette demande et la soumet pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 29 janvier 1916, représentant que par un arrêté en conseil du 11 mars 1915, il a été prescrit que vu que ces claims miniers dans le nord des provinces de Manitoba, Saskatchewan

et Alberta, sont d'un accès difficile, et qu'en vue des conditions exceptionnelles créées par la guerre il soit accordé aux propriétaires enregistrés de claims miniers, acquis sous l'empire des règlements ci-dessus mentionnés et situés dans le nord de ces provinces (c'est-à-dire dans les régions au nord de la borne sud du township 17, dans la province de Manitoba, au nord de la borne sud du township 47, dans la province de la Saskatchewan, et au nord de la borne sud du township 60, dans la province d'Alberta), un délai d'un an de la date du dit arrêté en conseil pour fournir la preuve qu'ils ont dépensé en travaux miniers sur ces concessions la somme requise par l'article 41 des règlements précités;

Le Ministre ajoute que des représentations ont été faites au Département de l'Intérieur à l'effet que les obstacles au développement des claims miniers dans le nord des provinces ci-dessus énumérées n'ont pas disparu et que les difficultés d'exploitation n'en sont pas moindres,—

Par conséquent, le Ministre recommande que les dispositions de l'arrêté en conseil du 11 mars 1915, ci-dessus mentionné, s'appliquent encore pour une période d'un an, soit jusqu'au 11 mars 1917.

## DEMANDES AU PARLEMENT.

## CHAMBRE DES COMMUNES.

## RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

## Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

## Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion

de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

## Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

- |  |           |
|--|-----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$ 100 00 |

| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session.....                                     | 200 00    |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000 et n'excède pas \$500,000.....                           | 100 00    |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000.....                          | 150 00    |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000.....                        | 200 00    |
| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000.....                      | 300 00    |

| (i) Pour chaque million ou fraction de million de dollars additionnel.....   | 100 00    |

4. Quand l'objet d'un bill, est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,

Greffier des Communes.

## RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,  
Greffier du Sénat.

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

d'un avis dans la *Gazette du Canada* ; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit :—

A. Lorsque la demande sera faite pour un acte constituant en corporation,—

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommissaires ; une compagnie de prêt ; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la

plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

#### CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

Greffier du Sénat.

## THE NORTHERN CROWN BANK.

## Avis et Règlement.

RÈGLEMENT pour réduire le capital-actions de la banque dite "Northern Crown Bank."

ATTENDU que le capital-actions payé de la Northern Crown Bank s'élève à la somme de \$2,859,272.32 ;

Et attendu que de cette somme celle de \$2,853,300 a été payée en considération de 28,533 actions qui ont été souscrites et émises comme entièrement payées, et que la balance de \$5,972.32 a été payée en considération de 91 actions souscrites mais non émises, et qu'il reste dû payable à la dite banque en considération d'icelles pour appels et versements la somme de \$3,127.68 ;

Et attendu qu'il est désirable de pourvoir à un fonds pour dépenses casuelles et à un fonds de réserve suffisant comme protection contre une dépréciation des placements, des immeubles et meubles meublants de la banque, se précautionner contre tous comptes mauvais, douteux et en souffrance, et pourvoir au paiement des dividendes ;

Et attendu qu'il est désirable pour ces fins et en vue de permettre à la banque de continuer utilement ses affaires et de réaliser pour ses actionnaires les plus grands bénéfices possible, de réduire le capital-actions de la banque dite "Northern Crown Bank" comme il est pourvu ci-après,—

En conséquence les actionnaires de la banque dite "Northern Crown Bank," maintenant réunis en assemblée générale annuelle, décrètent ce qui suit :—

(1) Le capital-actions souscrit de la banque dite "Northern Crown Bank" est par le présent réduit à \$1,431,200 divisé en 14,132 actions d'une valeur au pair de \$100 chacune, en réduisant le nombre actuel des actions souscrites de la Banque comme suit, savoir :— Pour et au lieu de chaque deux actions détenues par les actionnaires inscrits le 18e jour de janvier A.D. 1916, une action de \$100 chacune, sera livrée à tel actionnaire.

(3) Dans chaque cas où un actionnaire détiendra un nombre tel des actions actuelles n'étant pas divisible en

nouvelles actions sans laisser un résidu, et toutes les fois que tel actionnaire sera incapable de faire des arrangements avec un autre actionnaire par achat, vente ou autrement, selon le cas, afin qu'il puisse détenir un nombre d'actions pouvant être divisé sans laisser de résidu, alors tel actionnaire et un nombre d'autres actionnaires dans la même position pourront remettre à la Banque les actions restantes ou indivisibles qu'ils détiennent entre eux et en conséquence, du stock nouveau sera remis en retour d'icelles, à eux, ou à aucun d'eux, conjointement, afin qu'ils puissent en disposer en commun pour leur bénéfice ; et si le 30ième jour de décembre 1916, aucun tel résidu ou actions indivisibles restent sans avoir été converties la Banque, par ses directeurs, aura le droit de les rappeler et d'émettre de nouvelles actions en leur place dans la proportion mentionnée ci-dessus et de faire vendre telles nouvelles actions de la manière que les directeurs de la Banque jugeront comme devant produire la plus grande recette et distribueront après le produit net de telle vente parmi les actionnaires y ayant droit sur la remise par tels actionnaires, respectivement, d'une décharge appropriée.

(4) Rien de contenu dans le présent ou fait ci-après ne pourra en aucune manière affecter ou diminuer la présente responsabilité des détenteurs d'actions impayées ou non complètement payées, d'acquitter le plein montant de telles actions au montant nominal actuel.

(5) Rien de contenu dans les présentes ne sera interprété comme diminuant ou variant la responsabilité des actionnaires de la banque dite "Northern Crown Bank," envers ses créanciers actuels.

Ce règlement deviendra applicable, exécutoire et en vigueur après qu'un certificat l'approuvant aura été émis par le Conseil de la Trésorerie, en conformité de la Loi des Banques.

PRESENT :

THE KING'S MOST EXCELLENT MAJESTY IN COUNCIL.

WHEREAS a state of war exists between His Majesty and the German Emperor, the Emperor of Austria King of Hungary, the Sultan of Turkey and the King of the Bulgarians;

And whereas His Majesty holds it to be his prerogative duty as well as his prerogative right to take all steps necessary for the defence and protection of the realm;

Extract from the LONDON GAZETTE, 28th January, 1916.

AT THE COURT AT BUCKINGHAM PALACE,  
THE 27TH DAY OF JANUARY, 1916.

PRESENT :

THE KING'S MOST EXCELLENT MAJESTY IN COUNCIL.

WHEREAS by the Aliens Restriction (Consolidation) Order, 1914 (hereinafter referred to as the Principal Order), the Aliens Restriction (Belgian Refugees) Order, 1914, the Aliens Restriction (Amendment) Order, 1915, and other Orders in Council, His Majesty has been pleased to impose restrictions on aliens, and to make various regulations for carrying those restrictions into effect;

And whereas it is expedient to amend and extend the provisions of those Orders in manner hereinafter appearing,—

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, as follows :—

*Extension of Article 19 of Principal Order.*

1. As from the fourteenth day of February, nineteen hundred and sixteen, Article 19 of the Principal Order (which imposes certain requirements as to registration of aliens residing in prohibited areas) shall be extended so as to impose the same requirements as respects aliens, wherever resident; and accordingly that Article shall

have effect as though the words "residing in a prohibited area, and an alien enemy," were omitted therefrom :

Provided that—

(a) a Secretary of State may by order direct that in any areas specified in the said Article as amended by this Article shall not apply in respect of that area to alien friends resident in the area at the date when this Article comes into operation ; and

(b) the said Article as amended by this Article shall not apply in the case of Belgian refugees.

*Additional Restrictions on Aliens in respect of Prohibited Areas.*

2. The following article shall, as from the date fixed thereunder, be substituted for Article 2 of the Aliens Restriction (Amendment) Order, 1915 :—

(1) As from such date as may be fixed by order of a Secretary of State an alien shall not, without the special permission of the Registration Officer, enter or be in any prohibited area unless he has in his possession an identity book obtained in pursuance of this Order and duly filled in and attested :

Provided that—

(a) where an alien is at the date of this Order resident and duly registered in a prohibited area, this provision shall not apply to him in respect of that area so long as he is resident therein.

(b) a Secretary of State may exempt from the provisions of this Article any class of aliens, where he is satisfied that satisfactory means are provided for their identification, other than the possession of an identity book ; and

(c) an alien coming from any place out of the United Kingdom and landing in the United Kingdom without an identity book may, subject to the provisions of the Principal Order, be allowed to proceed to his destination in the United Kingdom if the passport or other document with which he is required to be furnished on landing in the United Kingdom contains, or if he supplies, such of the particulars contained in the schedule to this Order as may be required by an aliens officer ; but any such alien shall proceed directly to his destination, and on arriving there shall, within twenty-four hours, comply with all the provisions which are applicable to him of the Principal Order, as amended by any subsequent Order, including this Order ; and

(d) this Article shall not apply to an alien who enters or is in a prohibited area for the sole purpose of immediate embarkation at a port therein ; and

(e) this Article shall not apply to an alien who appears under the age of eighteen and is in the care of some other person who is over that age.

If any alien when so required by any officer, or by any soldier or sailor engaged on sentry, patrol or other similar duty, or by any aliens officer or police constable, fails to produce his identity book at any time when he is required to be in possession of the same under this Article, he may, without prejudice to any other penalty, be detained pending the making of enquiries as to his identity, and whilst so detained shall be deemed to be in legal custody.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 12th day of February, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 7th February, 1916, from the Minister of the Interior, submitting that the Superintendent of School Lands, Winnipeg, has reported that after consultation with the several Inspectors of School Lands, he is strongly of the opinion that it would be in the interests of the School Lands Endowment Funds to hold a series of Auction Sales of School Lands in the Provinces of Manitoba, Saskatchewan and Alberta during the coming spring or in the early part of the summer.

Before taking any final action in the matter, the Minister consulted the Premiers of the three provinces as to the advisability of holding the sales referred to, and they have each expressed their concurrence and have stated that in their opinion it would be an opportune time to place some of these lands on the market.

It is proposed to hold the auction sales at the following points :—

Glenella, Manitoba.	Indian Head, Saskatchewan
Dauphin, “	Moosejaw, “
Rosburn, “	Wymark, “
	Kindersley, “
Kamsack, Saskatchewan.	
Redvers, “	Carmangay, Alberta.
Moosomin, “	Vulcan, “
Broadview, “	Munson, “

It is represented to the Minister that in view of the phenomenal crop of last season and of the good prices prevailing, and also of the strong demand existing for these lands, that the sales should realize excellent prices.

As the Minister concurs in this view, and as he is of the opinion that it would be in the interests of the Educational Endowment Funds of the three provinces mentioned to place some of the School Lands on the market, as no general sales have been held for the past three years, he recommends that he be authorized to have auction sales of School Lands held at the points before mentioned at dates to be determined later, but which would probably begin in the early part of June, the sales to be subject to the provisions of The Dominion Lands Act relating to sales of School Lands.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

WHEREAS a tract of land was surveyed and selected under the provisions of Treaty No. 1, for the Broken Head Indian Reserve No. 4, in Townships 15 and 16, Ranges 6 and 7, east of the Principal Meridian, but was never set apart for the Indians, as the northwest boundary thereof had not been sufficiently determined ;

And whereas the adjustment of this northwest boundary has now been arranged satisfactorily with the Department of Indian Affairs, and plan and description of the reserve have been prepared ;

And whereas the Minister of the Interior states that the lands are available for the purpose, according to the records of the Department of the Interior,—

Therefore His Royal Highness the Governor General in Council is pleased to order and it is hereby ordered that all those portions of Townships 15 and 16, in Ranges 6 and 7, east of the Principal Meridian, in the Province of Manitoba, shown outlined in red on the accompanying plan and not covered by the waters of Broken Head River, reserving thereout and therefrom the most northerly 5 chains and 19 links in perpendicular width of river lot numbered 2 and all of river lot numbered 3, be withdrawn from the operation of The Dominion Lands Act, and be set apart as a reserve for the Indians, said lands containing an area of 13,720 acres, more or less, less the area covered by the said waters of Broken Head River, and as shown outlined in pink on the plan hereto attached.

Saturday, the 12th day of February, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 5th February, 1916, from the Minister of the Interior, submitting that an application has been made to the Department of the Interior by Mr. Henry Toke Munn on behalf of the Arctic Gold Exploration Syndicate, Limited, whose head office is in Toronto, Ontario, to purchase a parcel of unsurveyed land situate on Bylot Island, in Baffin Bay, in the Arctic Seas, in the Dominion of Canada, in approximate north latitude of 72° 53', approximate west longitude of 76° 15', situate at the junction of a creek flowing into Button Harbour with the south shore of the said Island and about three-quarters of a mile east of the point of land known as Button Point, and which may be more particularly described as follows :—

Beginning at the intersection of the right bank of the said creek with the said south shore of the said Island, thence in a northerly direction, following the said right bank of the said creek to a point in a line drawn due east from a point distant fourteen chains and fourteen links due north, from the said intersection of the said bank of the creek with the said shore line, thence due west a distance of fourteen chains and fourteen links, thence due south to intersection with the said south shore of the said Island, thence in an easterly direction, following the said south shore to the place of commencement, and containing by admeasurement twenty acres more or less, and as shown outlined in pink on the sketch hereto attached.

The Minister is of the opinion—the parcel of land applied for being available for the purpose, according to the records of the Department of the Interior—that the application should be favourably considered, and he therefore, recommends that the land above described be sold to the said company at the rate of \$1.00 an acre, and that upon payment therefor being remitted to the Department of the Interior, letters patent for the said land be issued to the Arctic Gold Exploration Syndicate, Limited, subject, however, to such letters patent containing, in addition to the usual reservations and provisos in letters patent for grants of Dominion Lands, a proviso to the effect that the Surveyor General of Dominion Lands may, at any time, cause a survey to be made of the lands granted and that his decision as to the location of the grant and of its boundaries and the extent of the grant shall be final, whether it does or does not agree with the description in the letters patent.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

## AT THE GOVERNMENT HOUSE AT OTTAWA

Tuesday, the 15th day of February, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 3rd February, 1916, from the Minister of the Interior, stating that representations have been made to the Department of the Interior that Muskiki Lake, situated in Township 39, Ranges 26 and 27, west of the 2nd Meridian, in the Province of Saskatchewan, contains certain springs from which sulphate of magnesia (Epsom Salts) rises in solution; that the waters of the lake have become impregnated with this salt; and that it has been precipitated in the form of crystals in the bed of the lake.

That application has been submitted by J. O. Carss, LL.B., Barrister of Ottawa, on behalf of a company which is being organized, for permission to acquire under lease for a term of years the right to the sulphate of magnesia in the bed of this lake, which contains an area of about eight square miles, and the applicant states that in case his application is favourably considered, a plant for the utilization of this product will be established, capable of producing for shipment from fifty to one hundred cars of the product during the first year.

That the reports on file in the Department of the Interior appear to indicate that the lake is very shallow; that it is situated in a hollow, with gently sloping sides; that it is more than one hundred feet below the general level of the country; that as it has no outlet, it is not capable of being drained; and that as the waters of the lake hold in solution large quantities of mineral salts, the water cannot be used for domestic, irrigation or steam purposes, and is therefore worthless as water.

That an analysis made by Dr. F. T. Shutt, Dominion Chemist, of several samples of water taken from this lake, shows that it contains from 3.99 per cent. to 6.35 per cent. of magnesia, the mineral for which application has now been made.

That it would appear from the reports received that this lake does not contain large quantities of the mineral applied for, that owing to the fact that sulphate of magnesia is one of the cheapest of the salts, its extraction could only be undertaken with any hope of commercial success over a very much larger area than contained in an ordinary mineral claim; and as the waters and bed of the lake appear to be of no other value, the Minister recommends that he be authorized to issue a lease in favour of the applicant of such rights as the Crown may possess to the sulphate of magnesia deposits over the area covered by the waters of this lake, subject, however, to the following special terms and conditions:—

1. The term of the lease to be five years, subject to renewal for further terms of five years each, provided the conditions of the lease have been fully complied with.

2. The rental to be at the rate of 10 cents an acre per annum, payable yearly in advance.

3. The lease to be subject to such rights as may be granted to the waters of the lake.

4. The lessee to instal within one year from the date of the lease machinery and plant to the value of at least \$5,000 necessary for winning, collecting and refining the deposits of sulphate of magnesia claimed to exist, and to furnish evidence to the satisfaction of the Minister of the Interior of the installation of such machinery and plant within the same period.

5. That the lessee shall at the end of the second and each succeeding year of the term of the lease furnish evidence to show that he has expended the sum of at least \$2,500 during the year in actual operations, with a view to acquiring and treating the salt covered by the lease, and in case active operations on the location for this purpose are at any time suspended for a period of six months, the lease shall be subject to immediate cancellation in the discretion of the Minister of the Interior.

6. Failure to comply with any of the conditions set out in the lease which may be issued shall render that instrument subject to immediate cancellation in the discretion of the Minister.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 29th January, 1916, from the Minister of the Interior, stating that by an Order in Council of the 11th March, 1915, provision was made that in view of the difficulties of access to mineral claims situated in the northern portions of the Provinces of Manitoba, Saskatchewan and Alberta, and the exceptional conditions brought about by the war, the recorded owners of mineral claims acquired under the regulations for the disposal of quartz mining claims, situated in the northern portions of the provinces above enumerated (that is, those portions lying north of the southern boundary of Township 17 in the Province of Manitoba, those portions lying north of the southern boundary of Township 47 in the Province of Saskatchewan, and those portions lying north of the southern boundary of Township 60 in the Province of Alberta) be granted an extension of time for one year from the date of that Order in Council, within which to furnish evidence of the required expenditure in mining operations upon such locations, as required by section 41 of the said regulations for the disposal of quartz mining claims;

The Minister further states that representations have been made to the Department of the Interior that the obstacles to the development of mineral claims in the northern portions of the Provinces above enumerated have not been removed, and that the difficulties of operation have not been lessened,—

The Minister, therefore, recommends that the provisions of the Order in Council of the 11th March, 1915, above referred to, be extended for a period of one year,—that is up to the 11th day of March, 1917.

The Committee concur in the foregoing recommendation and submit the same for approval.

Friday, the 4th day of February, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 31st January, 1916, from the Minister of the Interior, submitting that under the provisions of the Order in Council, dated the 28th January, 1915, Trooper Lorne Mulloy, now Professor Mulloy of Kingston, Ontario, to whom South African Volunteer Bounty Land Certificate No. 6003 was issued in connection with his services in South Africa, was authorized upon returning to the Department the certificate in question or filing a bond of indemnity in the event of his not being able to produce the certificate, with satisfactory proof that no assignment of the certificate had been made to select during the year 1915 two adjacent quarter-sections of available Dominion Lands open to homestead entry which would be sold to him at the rate of \$1 an acre in full satisfaction of his claim under the said South African Volunteer Bounty Land Certificate No. 6003, from which he had derived no benefit, being unable, on account of injuries received while on active service during the South African campaign which resulted in total blindness, to comply with the conditions as to residence and cultivation required in connection with the location of such certificates.

Mr. Mulloy, who filed the necessary documents respecting the loss of the certificate together with a bond of indemnity, failed to select the land he desires to purchase within the time specified and has applied for an extension thereof.

The Minister, being of the opinion that such application should receive favourable consideration, recommends that Mr. Mulloy, whose full name is Lorne W. R. Mulloy, be allowed to select two adjoining quarter-sections of available Dominion Lands open to homestead entry in the Provinces of Manitoba, Alberta or Saskatchewan and that upon his notifying the Department of the Interior of such selection during the present year, 1916, a sale of the land so selected be made to him at the rate of \$1.00 an acre in full satisfaction of his claim under the said South African Volunteer Bounty Land Certificate No. 6003, above referred to.

The Committee concur in the foregoing recommendation and submit the same for approval.

Friday, the 4th day of February, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

HIS Royal Highness the Governor General in Council is pleased to order that the regulations for the survey, administration, disposal and management of Dominion lands within the Forty-mile Railway Belt in the Province of British Columbia shall be and the same are hereby amended as follows :—

Sub-sections "a" and "b" of Section 19 of Order in Council of the 17th September, 1889, are hereby rescinded and the following provisions substituted therefor :

(a) Application for homestead entry by proxy may be made by a person applying on behalf of a husband, father, mother, son, daughter, brother or sister, when duly authorized to do so in the form prescribed. In such case the proxy shall appear in person before the agent of Dominion Lands for the District in which the land applied for is situated. Application for entry by proxy shall not be accepted by a sub-agent. The homesteader on whose behalf such entry is made

must, before the expiration of six months from the date of the entry, appear personally before the agent for the District (not a sub-agent) and satisfy him by declaration so provided that he is already in residence or on his way to commence such residence, and in the latter case that he will be in residence before the end of the six months. Should he fail to appear, the agent shall cancel the entry without notice at the end of six months from date of entry. No extension of time within which to commence residence duties shall be granted in connection with a proxy entry. The provisions of this paragraph shall be retro-active so as to apply to the case of any entry made by proxy before the coming into force of this order.

(b) Notwithstanding anything contained in the above provisions, if any person who is a member of any body or force serving with the forces of Great Britain or of any of her Allies during the present European War, secures entry for a homestead on Dominion lands by proxy, such entry, whether secured before or after the date at which the entrant enlisted or was recalled for active military service, shall take the same standing, and be dealt with in the same way as if it had been made in person instead of by proxy ; and the person on whose behalf such proxy entry is made shall be entitled to share in the benefits of the Orders in Council of the 17th October, 1914, 19th June, 1915, and 6th January, 1916, in so far as the same would be applicable to him if his entry had been made in person.

Nothing in these regulations shall be held to confer any right or claim upon any entrant who, being engaged on active military service as aforesaid, has failed to notify the agent of Dominion Lands for the district in which the land is situated of the fact of his being so engaged, in ample time to enable the agent to note the fact in his records so as to prevent the cancellation of the proxy entry for non-appearance at the end of six months from the date thereof.

Nothing in these regulations shall be held to confer any right or claim in the case of any proxy entry which has already been cancelled for non-appearance.

In any case where cancellation has already been carried out the Minister of the Interior may restore such entry provided he finds that the land affected thereby is still vacant and available for the purpose, and upon restoration such entry shall thereupon become subject to the provisions of this Order in Council.

## AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 25th day of February, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 21st February, 1916, from the Minister of the Interior stating that conflicting claims have been made with respect to the south west quarter of Section ten (10), Township twenty (20), Range two (2), west of the Fifth (5th) Meridian, by Elizabeth Fisher, as administratrix of the late Joseph Fisher, rancher, of Millarsville, in the Province of Alberta, and Robert James Price, farmer, of Black Diamond, in the same Province.

The Minister reports as follows in reference thereto. viz :—

The land in dispute is claimed by the Fisher estate under a sale to Joseph Fisher by authority of an Order in Council, dated 21st May, 1908. The land was sold at the rate of \$3.00 per acre, subject to a rebate representing the cost of certain irrigation works to be constructed thereon and upon adjacent lands and formed part of a tract of two thousand acres sold to the late Joseph Fisher at the same rate and subject to the same conditions. The land has been paid for in full and the conditions of the sale have been fulfilled.

Robert J. Price claims the said quarter section under homestead entry dated 18th May, 1906, which entry was cancelled on the 14th November, 1907, but was reinstated on the 27th October, 1911. Mr. Price has been in continuous residence on the land since about the date of his original entry and has placed valuable improvements thereon in the shape of buildings, fences, wells, breaking, clearing and cultivation. Mr. Fisher constructed an irrigation ditch across the quarter section as part of his irrigation project, but has not otherwise occupied or improved the land.

When the land was sold to Joseph Fisher in May, 1908, Mr Price's homestead entry had been cancelled and the land was at that time available for the purpose of the sale, notwithstanding the fact that Mr. Price was still in residence on the land and that he had refused to remove therefrom.

It subsequently became apparent that Mr. Price's claim to the land had not been given sufficient consideration at the time his entry was cancelled and his rights were accordingly recognized by the reinstatement of his entry in October, 1911. In the meantime, however, the land had been legally sold to Mr. Fisher and paid for by him, so that the tardy recognition of Mr. Price's claim was unjust to Mr. Fisher whose irrigation project was thus made less valuable, and, further, because control of the ditches which crossed the southwest quarter of the said section ten was essential to the irrigation of other portions of his irrigation project.

Repeated efforts have been made to reconcile these conflicting claims, but, until very recently, without success. An arrangement has, however, now been made whereby Mrs. Fisher agrees to relinquish all claim to the land upon certain conditions which it is within the power of the Minister to grant and which are considered reasonable, and the further condition that she be granted another quarter section of land in lieu of the one relinquished.

The Minister, therefore, recommends that he be authorized to permit Mrs. Elizabeth Fisher, as administratrix of the estate of the late Joseph Fisher, to select, free of all cost, another quarter section of land of the class available for homestead or pre-emption entry, in consideration of her relinquishment of all claim as such administratrix to said southwest quarter of Sec-

tion ten, Township twenty, Range two, west of the First Meridian, such selection to be made within one year from this date.

The Committee concur in the above recommendation and submit the same for approval.

36-4 RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

## AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 28th day of February, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 21st February, 1916, from the Minister of the Interior, stating that on the 5th day of August, 1907, homestead entry for the northwest quarter of Section 8, Township 61, Range 26, west of the 4th Meridian, in the Province of Alberta, containing 160 acres, was granted to James Chisholm, who subsequently, on the 18th November, 1908, executed a lien for \$309.95 in favour of the Canadian Pacific Railway Company, covering an advance of that amount to Mr. Chisholm and which was recorded against the land.

That the homesteader, James Chisholm, having failed to proceed with the necessary homestead duties, and application for the cancellation of the entry having been made, in default of a defence, the entry was cancelled and a new entry granted on the 29th July, 1911 to one James Rimmer, which entry still stands.

That the entry to James Rimmer was granted inadvertently and in error as under the provisions of The Dominion Lands Act the lienholder (The Canadian Pacific Railway Company) was entitled to a patent for the land subject to placing thereon another bona fide settler and failing to secure such patent for the quarter in question are entitled to another quarter section in lieu thereof.

That the company has selected the northwest quarter of Section 14, Township 9, Range 30, west of the 2nd Meridian, in the Province of Saskatchewan, containing 159 acres, which it required for the Assiniboia Water Supply and which is available for the purpose, having been abandoned, upon payment of \$1,000 in favour of the Railway Company by one Carl Mollberg who held entry therefore as a pre-emption.

The Minister further states that both the quarter-sections referred to have been inspected and valued by officers of the Department of the Interior, the N.W.  $\frac{1}{4}$  of Section 8, Township 61, Range 26, west of the 4th Meridian, at \$10.00 an acre, and the N.W.  $\frac{1}{4}$  of Section 14, Township 9, Range 20, west of the 2nd Meridian, at \$25.00 an acre, that the Canadian Pacific Railway Company has remitted to the Department the sum of \$1,375.00 being the difference in the value thereof less the amount of \$1,000 paid by the company to the former entrant of the N.W.  $\frac{1}{4}$  of Section 14, Township 9, Range 30, west of the 2nd Meridian, and has also discharged the lien registered against the N.W.  $\frac{1}{4}$  of Section 8, Township 61, Range 26, west of the 4th Meridian.

The Minister recommends that this exchange be confirmed under section 76 of The Dominion Lands Act and that letters patent be issued in favour of the Canadian Pacific Railway Company for the said N.W.  $\frac{1}{4}$  of Section 14, Township 9, Range 30, west of the 2nd Meridian, in lieu of the said N.W.  $\frac{1}{4}$  of Section 8, Township 61, Range 28, west of the 4th Meridian, to which the company was entitled as statutory lienholders.

The Committee concur in the foregoing recommendation and submit the same for approval.

36-4 RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

A LA COUR AU PALAIS DE BUCKINGHAM,  
LE 27<sup>e</sup> JOUR DE JANVIER 1916.

PRÉSENT :

SA TRÈS EXCELLENTE MAJESTÉ LE ROI  
EN CONSEIL.

**A**TTENDU que par l'arrêté dit "Aliens Restriction (Consolidation) Order, 1914," (désigné au présent comme l'arrêté principal), l'arrêté dit "Aliens Restriction (Belgium Refugees) Order, 1914," l'arrêté dit "Aliens Restriction (Amendment) Order, 1915," et autres arrêtés en conseil, il a plu à Sa Majesté d'imposer des restrictions sur les aubains et d'établir divers règlements pour mettre ces restrictions en vigueur ;

Et attendu qu'il est opportun de modifier et d'étendre les dispositions de ces arrêtés de la manière qui suit,—

En conséquence, il plaît à Sa Majesté, par et avec l'avis de Son Conseil privé d'ordonner et il est par le présent ordonné comme suit,—

*Extension de l'article 19 de l'arrêté principal.*

1. A compter du quatorzième jour de février mil neuf cent seize, l'article 19 de l'arrêté principal (qui impose certaines obligations au sujet de l'enregistrement des aubains résidant dans les territoires prohibés) s'étendra de manière à imposer les mêmes obligations au sujet des aubains résidant à un endroit quelconque, et en conséquence cet article sera exécutoire comme si les mots "résidant dans un territoire prohibé et un étranger ennemi" étaient omis du dit article.

Sauf que—

(a) Un Secrétaire d'Etat peut ordonner que dans tout territoire mentionné dans le dit article, tel que modifié par le présent article, il ne s'appliquera pas au sujet de ce territoire aux aubains amis résidant dans ce territoire à la date de l'entrée en vigueur du présent article ; et

(b) le dit article, tel que modifié par le présent article, ne s'appliquera pas dans le cas des réfugiés belges.

*Restrictions additionnelles imposées sur les aubains au sujet des territoires prohibés.*

2. L'article suivant, à compter de la date fixée ci-après, sera substitué à l'article 2 de l'arrêté dit "Aliens Restriction (Amendment) Order, 1915" :—

(1) A compter de la date qui pourra être fixée par ordre d'un Secrétaire d'Etat, un aubain, sans une permission spéciale du préposé à l'enregistrement, ne pourra entrer ou se trouver dans un territoire prohibé quelconque à moins qu'il ne soit en possession d'un carnet d'identité obtenu en conformité du présent arrêté et dûment rempli et attesté :

Sauf que—

(a) lorsqu'un aubain, à la date du présent arrêté, réside et est dûment enregistré dans un territoire prohibé, la présente disposition ne s'appliquera pas à lui tant qu'il y résidera.

(b) Un Secrétaire d'Etat peut exempter des dispositions du présent article toute classe d'aubains, lorsqu'il lui est démontré qu'on a pris des moyens suffisants pour établir leur identification autres que la possession d'un carnet d'identité ; et

(c) Un aubain venant d'un endroit quelconque hors du Royaume-Uni et débarquant dans le Royaume-Uni sans un carnet d'identité peut avoir la permission, subordonnée aux dispositions de l'arrêté principal, de se rendre à sa destination dans le Royaume-Uni si le passeport ou autre document qu'il est obligé d'avoir en sa possession en débarquant dans le Royaume-Uni contient, ou s'il fournit les détails contenus dans l'annexe du présent arrêté que peut exiger un officier des aubains ; mais tout tel aubain se rendra directement à sa destination, et en y arrivant il devra, dans les vingt-quatre heures, se conformer à toutes les dispositions de l'arrêté principal, tel que modifiées par tout arrêté subséquent, y compris le présent arrêté, qui lui sont applicables ; et

(d) le présent article ne s'appliquera pas à un aubain qui entre en territoire prohibé ou s'y trouve dans le seul but de s'embarquer immédiatement à un port de ce territoire prohibé ; et

(e) le présent article ne s'appliquera pas à un aubain qui semble avoir moins de dix-huit ans et qui est sous les soins de quelque autre personne dépassant cet âge.

Si un aubain, lorsqu'il en sera requis par un officier quelconque ou par tout soldat ou matelot placé en sentinelle ou faisant la patrouille ou autre semblable devoir, ou par tout officier des aubains ou sergent de ville, néglige de produire son carnet d'identité à une époque quelconque lorsqu'il doit l'avoir en sa possession en vertu du présent article, il peut être détenu, sans préjudice à toute autre peine, en attendant que des enquêtes soient faites au sujet de son identité, et tant qu'il sera ainsi détenu il sera censé être emprisonné.

(2) Subordonnée aux instructions spéciales ou générales d'un Secrétaire d'Etat, tout aubain qui, après que le présent article sera en vigueur, est entré en territoire prohibé dans lequel il ne résidait pas à la date du présent arrêté, peut être sommé, par le préposé à l'enregistrement pour ce territoire, de quitter le territoire immédiatement et de n'y pas retourner subséquent sans sa permission spéciale ; tout tel ordre sera entré dans le carnet d'identité de l'aubain, et l'aubain devra se conformer à cet ordre.

(3) Lorsque toute telle permission spéciale d'un préposé à l'enregistrement, comme susdit, a été accordée subordonnée à des conditions quelconques et que la personne à qui elle a été accordée néglige de se conformer à toutes telles conditions, elle sera censée coupable d'une contravention à l'arrêté principal.

(4) Le présent article sera exécutoire comme s'il était inclus dans la Partie II de l'arrêté principal, et cet arrêté sera exécutoire en conséquence.

*Carnets d'identité.*

3. Le carnet d'identité sera conforme à la formule décrite dans l'annexe du présent arrêté, et les dispositions contenues dans cette annexe seront exécutoires relativement aux carnets d'identité.

Si une personne quelconque se sert, pour les fins du présent arrêté, d'un carnet d'identité où il s'agit de toute personne autre que d'elle-même, ou en inscrivant les détails contenus dans le carnet d'identité ou dans le but d'obtenir un carnet d'identité fait quelque fausse déclaration ou fausse représentation, elle sera censée avoir agi en contravention à l'arrêté principal.

*Devoirs des hôteliers, etc.*

4. (1) L'article trois de l'arrêté dit "Aliens Restriction (Amendment) Order, 1915," sera exécutoire comme si les dispositions suivantes étaient substituées aux alinéas (1) à (4) inclusivement du dit arrêté :

3. (1) Le propriétaire de chaque hôtel, auberge, maison de pension et hôtel garni devra tenir un registre de toutes les personnes de plus de quatorze ans demeurant à l'hôtel, l'auberge, la maison de pension ou l'hôtel garni, qui sont des aubains.

Le propriétaire de tout tel hôtel, auberge, maison de pension ou hôtel garni devra, le plus tôt possible après que toute telle personne vient demeurer à l'hôtel, l'auberge, la maison de pension ou l'hôtel garni, inscrire son nom et sa nationalité dans le registre, ainsi que la date de son arrivée ; et au départ de toute telle personne il devra, le plus tôt possible, inscrire la date de son départ et sa destination à son départ dans le registre, et il inscrira aussi dans le registre, de temps à autre, les autres détails qui pourront être prescrits par un Secrétaire d'Etat, et si le propriétaire d'un hôtel, d'une auberge, d'une maison de pension ou d'un hôtel garni néglige de se conformer à l'une quelconque des dispositions ci-dessus du présent article, ou s'il fait une entrée quelconque dans tout tel registre qu'il sait être fausse ou dont il aurait pu s'assurer de la fausseté en y apportant une diligence raisonnable, il sera censé coupable de contravention à l'arrêté principal.

(2) Le propriétaire de chaque hôtel, auberge, maison de pension ou hôtel garni devra également, si des instructions à cet effet sont données par un Secrétaire d'Etat, faire les rapports au préposé à l'enregistrement du district d'enregistrement dans lequel est situé l'hôtel, l'auberge, la maison de pension ou

l'hôtel garni, au sujet des personnes demeurant à l'hôtel, l'auberge, la maison de pension ou l'hôtel garni, aux époques ou intervalles et en la manière indiquée dans ces instructions, et s'il néglige de les faire ou s'il fait quelque rapport faux, il sera censé coupable de contravention à l'arrêté principal.

(3) Le propriétaire de chaque hôtel, auberge, maison de pension et hôtel garni devra—

(a) dans le but de s'assurer si une personne quelconque demeurant à l'hôtel, l'auberge, la maison de pension ou l'hôtel garni est ou n'est pas un aubain, exiger que chaque personne (que ce soit un aubain ou non) qui demeure à l'hôtel, l'auberge, la maison de pension ou l'hôtel garni lui fournisse, selon la formule que pourra prescrire un Secrétaire d'Etat, les détails contenus dans cette formule; et

(b) chaque personne (que ce soit un aubain ou non) devra fournir ces dits détails lorsqu'elle en sera requise.

Si le propriétaire de tout hôtel, auberge, maison de pension ou hôtel garni négligé d'exiger de toute personne demeurant à l'hôtel, l'auberge, la maison de pension ou l'hôtel garni qu'elle lui fournisse ces renseignements comme susdit, il sera censé coupable de contravention à l'arrêté principal; et si une personne quelconque demeurant à l'hôtel, l'auberge, la maison de pension ou l'hôtel garni néglige de fournir quelque renseignement lorsqu'elle en sera requise ou donne de faux renseignements, elle sera censée coupable de contravention à l'arrêté principal.

(4) Chaque registre tenu sous l'empire du présent article, et tous les détails fournis sous l'empire du présent article seront soumis, à toutes heures raisonnables, à l'inspection de tout officier de police ou de toute personne autorisée par un Secrétaire d'Etat.

(2) Dans l'application de l'article (3) de l'arrêté dit "Alien Restriction (Amendment) Order, 1915," tel que modifié par le présent arrêté, aux hôtels ou autres maisons de pension dans lesquelles des réfugiés belges sont logés, le gérant ou le secrétaire, ou toute autre personne chargée de l'administration de l'hôtel ou de la maison de pension, sera censée en être le propriétaire, qu'elle soit payée ou non.

ATTENDU que lorsque les bornes entre les divisions d'inspection des poids et mesures de Regina et de Saskatoon ont d'abord été déterminées, les limites de certains districts électoraux ont été employées à cette fin, avec le résultat que le "Bill de Redistribution" adopté à la dernière session du Parlement, qui change ces districts électoraux, rend ces bornes divisionnaires ineffectives, —

IL plaît à Son Altesse Royale le Gouverneur général en conseil de décréter que les règlements pour l'arpentage, l'administration et la concession des terres fédérales dans la zone des chemins de fer de 40 milles dans la province de la Colombie-Britannique, soient par ces présentes modifiés comme suit :—

Les paragraphes "a" et "b" de l'article 19 de l'arrêté en conseil du 17 septembre 1889, sont par ces présentes rescindés et les dispositions suivantes leurs sont substituées :

(19. (a) La demande d'inscription de homestead par procuration peut être faite par une personne qui fait la demande en faveur d'un époux, d'un père, d'une mère, d'un fils, d'une fille, d'un frère ou d'une sœur, quand cette personne est dûment autorisée de le faire, et dans la forme prescrite. Dans ce cas le mandataire se présentera en personne devant l'agent des terres fédérales du district où est situé le terrain demandé. La demande d'inscription par procuration ne doit pas être agréée par un sous-agent. L'inscrit au nom duquel est faite cette inscription doit se présenter personnellement à l'agent du district (et non au sous-agent) dans les six mois de la date de l'inscription et faire une déclaration satisfaisante qu'il résidait sur le terrain ou qu'il a l'intention d'y résider et, dans ce cas, qu'il y résidera avant l'expiration des six mois. A défaut de se présenter à l'agent, celui-ci annulera l'inscription sans avis à l'expiration des six mois de la date de l'inscription. Aucun prolongement du délai ne sera accordé dans le cas d'inscription par procuration. Les dispositions de ce paragraphe seront rétroactives de manière à s'appliquer à toute inscription par procuration avant la mise en vigueur du présent arrêté.

Nonobstant toute stipulation du présent arrêté, si quelqu'un qui appartient à un corps quelconque servant dans les armées de la Grande-Bretagne ou d'un de ses alliés pendant la guerre européenne actuelle obtient par procuration l'inscription de homestead sur des terres fédérales, cette inscription, qu'elle ait été obtenue avant ou après la date où l'inscrit s'est enrôlé ou a été rappelé du service militaire actif, aura la même préséance et sera traitée de la même manière que si elle avait été faite en personne au lieu de l'avoir été par procuration ; et la personne au nom de laquelle cette inscription par procuration a été faite jouira des privilèges accordés par les arrêtés en conseil du 17 octobre 1914, 19 juin 1915 et 6 janvier 1916, en autant que ces arrêtés lui seraient applicables si son inscription avait été faite en personne.

Rien dans ces règlements ne sera censé conférer un droit quelconque à un inscrit qui, s'étant enrôlé dans le service militaire actif comme susdit, a négligé d'aviser l'agent des terres fédérales du district dans lequel le terrain est situé du fait qu'il s'était ainsi enrôlé, en temps opportun pour permettre à l'agent de noter le fait dans les livres afin d'empêcher l'annulation de l'inscription par procuration parce que l'inscrit ne s'est pas présenté avant l'expiration des six mois de la date de l'inscription.

Rien dans ces règlements ne sera censé conférer un droit quelconque dans le cas d'une inscription par procuration qui a déjà été annulée parce que l'inscrit ne s'est pas présenté à l'agent comme le prescrivent les dispositions de l'arrêté en conseil du 26 août 1908.

Dans tous les cas où l'annulation a déjà été faite conformément aux stipulations de l'arrêté en conseil ci-dessus mentionné, le Ministre de l'Intérieur peut rétablir cette inscription s'il constate que le terrain concerné est encore vacant et disponible, et dès que cette inscription sera renouvelée elle deviendra sujette aux dispositions du présent arrêté en conseil.

M. Mulloy, qui a déposé les documents nécessaires concernant la perte du mandat, ainsi qu'un bon d'indemnité, n'a pas choisi dans le temps spécifié le terrain qu'il désire acheter et a demandé un prolongement de délai.

Le Ministre est d'avis que cette demande devrait être accordée et il recommande que M. Mulloy, dont tout le nom est Lorne W. R. Mulloy, puisse choisir deux quarts de section adjacents de terres fédérales disponibles pour l'inscription de homestead dans les provinces de Manitoba, Alberta ou Saskatchewan, et que dès qu'il aura avisé le Département de l'Intérieur de son choix au cours de la présente année 1916, le terrain ainsi choisi lui soit vendu au prix de \$1.00 l'acre en pleine compensation du mandat numéro 6003 ci-dessus mentionné.

A U comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 7 février 1916, représentant que le Surintendant des terres des écoles, à Winnipeg, a fait rapport qu'après consultation avec plusieurs inspecteurs des terres scolaires il est fortement d'avis qu'il serait de l'intérêt du fonds des écoles de faire une série de ventes à l'enchère des terres scolaires dans les provinces du Manitoba, Saskatchewan, et Alberta au cours du printemps prochain ou au commencement de l'été.

Avant de décider en la matière le Ministre a consulté les premiers ministres des trois provinces quant à l'opportunité de faire ces ventes, et chacun d'eux a exprimé son approbation et déclaré qu'à leur avis le temps serait opportun de mettre en vente certains de ces terrains.

Il est projeté de faire ces ventes à l'enchère aux endroits suivants :

Glenella, Manitoba,	Indian Head, Saskatchewan,
Dauphin, "	Moose Jaw, "
Rosburn, "	Wymark, "
Kamsack, Saskatchewan,	Kindersley, "
Redvers, "	Carmanagay, Alberta.
Moosomin, "	Vulcan, "
Broadview, "	Munson, "

Il a été représenté au Ministre qu'en vue de la récolte phénoménale de la dernière saison et des prix avantageux, ainsi que du fait que ces terrains sont en grande demande, ces ventes rapporteraient d'excellents prix.

Comme le Ministre est de la même opinion et qu'il est d'avis qu'il serait de l'intérêt du fonds des écoles, dans les trois provinces mentionnées, et comme aucune vente générale de terres des écoles n'a été faite dans les derniers trois ans, de mettre en vente certaines des terres scolaires, et il demande l'autorisation de faire mettre en vente à l'enchère ces terres scolaires aux endroits ci-dessus mentionnés à des dates qui seront fixées plus tard, mais qui seraient probablement dans les premiers jours de juin, les ventes devant être subordonnées aux stipulations de la *Loi des terres fédérales* concernant la vente des terres des écoles.

Commencant à l'intersection de la rive droite du dit creek avec la dite rive sud de la dite île ; de là, vers le nord, en suivant la dite rive droite du dit creek jusqu'à un point dans une ligne tirée franc est à partir d'un point éloigné de 14 chaînes et 14 chaînons franc nord de la dite intersection de la rive du dit creek avec le rivage de l'île ; de là franc ouest sur une distance de 14 chaînes et 14 chaînons ; de là franc sud jusqu'à l'intersection avec la rive sud de la dite île ; de là, vers l'est, en suivant la dite rive sud jusqu'au point de départ ; le terrain contient 20 acres plus ou moins et est coloré rose sur le plan ci-annexé.

A U comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 3 février 1916, déclarant que des représentations ont été faites au Département de l'Intérieur que le lac Muskiki, situé dans le township 39, rangs 26 et 27, à l'ouest du 2e méridien, dans la province de la Saskatchewan, contient certaines sources donnant en solution du sulfate de magnésie (epsomite), que les eaux du lac en sont imprégnées et qu'il a été précipité sur le lit du lac sous forme de cristaux.

J. O. Carss, LL.B., avocat d'Ottawa, a demandé au nom d'une compagnie qui s'organise actuellement d'acquérir par bail, pour un certain nombre d'années, le droit à l'extraction du sulfate de magnésie du lit de ce lac, qui a environ 8 milles carrés de superficie. Le requérant déclare que si sa demande est accordée il sera installé pour l'exploitation de ce produit un outillage pouvant donner pour l'expédition de 50 à 100 wagons de ce produit pendant la première année.

Les rapports déposés au Département de l'Intérieur semblent indiquer que le lac est très peu profond; qu'il est situé dans un creux de terrain aux pentes douces; qu'il est à plus de 100 pieds au-dessous du niveau moyen de la région; que n'ayant aucun débouché il est impossible de le drainer; que les eaux du lac contenant en solution de grandes quantités de sels minéraux elles ne peuvent être employées à des fins domestiques, pour l'irrigation ou pour la production de la vapeur, et qu'elles n'ont, par conséquent, aucune valeur propre comme eau.

Une analyse faite par le docteur F. T. Shutt, chimiste fédéral, de plusieurs échantillons de l'eau de ce lac révèle qu'elle contient de 3.99 à 6.35 pour cent de magnésie, minéral pour l'extraction du duquel on présente maintenant une demande.

Il ressort des rapports reçus que ce lac ne contient pas de grandes quantités du minéral en question; que vu le fait que le sulfate de magnésie est l'un des sels qui a le moins de valeur marchande, son extraction ne pourrait être entreprise avec succès que sur une étendue beaucoup plus grande que celle des claims ordinaires; que les eaux et le lit du lac ne semblent avoir aucune autre valeur, le Ministre demande l'autorisation d'accorder aux requérants le bail des droits que peut avoir la Couronne aux dépôts de sulfate de magnésie sur la superficie couverte par les eaux du lac, mais subordonnement aux conditions spéciales suivantes:—

1. La durée du bail sera de cinq ans, ce bail étant renouvelable pour de nouvelles périodes de cinq ans chacune, pourvu que les conditions aient été parfaitement remplies.

2. Le loyer sera de dix cents l'acre par année, payable d'avance annuellement.

3. Le bail est subordonné aux droits qui peuvent être accordés sur les eaux du lac.

4. Le locataire devra installer dans le délai d'un an de la date du bail des machines et un outillage d'une valeur d'au moins \$5,000 nécessaire pour l'exploitation, l'extraction et le raffinage des dépôts de sulfate de magnésie qu'on prétend exister, et prouver à la satisfaction du Ministre de l'Intérieur que ces machines et cet outillage ont été installés dans ce délai.

5. Le locataire devra à la fin de la deuxième année et de chaque année subséquente de la période de son bail, fournir la preuve qu'il a dépensé une somme d'au moins \$2,500 au cours de l'année en travaux d'exploitation en vue d'extraire et de traiter le sel dont il a la concession; au cas où les travaux d'exploitation seraient en aucun temps suspendus pendant six mois, le bail serait sujet à annulation immédiate à la discrétion du Ministre de l'Intérieur.

6. Le défiant de se conformer à une condition quelconque du bail qui peut être accordé rend ce bail sujet à annulation immédiate à la discrétion du Ministre.

Le comité agréé cette demande et la soumet pour approbation.

Le Ministre ajoute que des représentations ont été faites au Département de l'Intérieur à l'effet que les obstacles au développement des claims miniers dans le nord des provinces ci-dessus énumérées n'ont pas disparu et que les difficultés d'exploitation n'en sont pas moindres,—

SON ALTESSE ROYALE LE GOUVERNEUR  
GENERAL EN CONSEIL.

AU Comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur daté le 21 février 1916, représentant que des réclamations contradictoires ont été faites en rapport avec le quart sud-ouest de la section 10, township 20, rang 2, à l'ouest du 5e méridien, par Elizabeth Fisher, à titre d'administratrice de la succession de feu Joseph Fisher, éleveur, de Millarsville, dans la province d'Alberta, et Robert James Price, cultivateur, de Black Diamond, dans la même province.

Le Ministre fait le rapport suivant quant à cette question, savoir :

Le terrain en litige est réclamé par la succession Fisher en raison d'une vente à Joseph Fisher autorisée par un arrêté en conseil daté le 21 mai 1908. Le terrain a été vendu au prix de \$3.00 l'acre, sujet à un rabais représentant le coût de certains travaux d'irrigation qui devaient être faits sur ces terres et sur les terres adjacentes. Ce terrain faisait partie des 2,000 acres vendus à feu Joseph Fisher au même prix et aux mêmes conditions. Le terrain a été entièrement payé et les conditions de la vente remplies.

Robert J. Price réclame le dit quart de section en vertu d'une inscription de homestead datée le 18 mai 1906, qui a été annulée le 14 novembre 1907, mais rétablie le 27 octobre 1911. M. Price a résidé continuellement sur le terrain depuis la date de sa première inscription et y a fait des améliorations importantes sous forme de bâtiments, clôtures, puits, défoncement, défrichement et culture. M. Fisher a creusé un canal d'irrigation traversant le quart de section en rapport avec son projet d'irrigation, mais n'a pas autrement occupé ou amélioré le terrain.

Lorsque le terrain a été vendu à Joseph Fisher, en mai 1908, l'inscription de homestead de M. Price avait été annulée et le terrain était alors disponible pour la vente, nonobstant le fait que M. Price y résidait encore et refusait de s'en départir.

On constata subséquemment que considération suffisante n'avait pas été donnée au titre de M. Price à ce terrain lorsque son inscription fut annulée, et, par conséquent, ses droits furent reconnus par le renouvellement de son inscription en octobre 1911. Dans l'entretemps, cependant, le terrain avait été légalement vendu à M. Fisher, qui en avait payé le prix, de sorte que la reconnaissance tardive des droits de M. Price était injuste pour M. Fisher dont le système d'irrigation subissait ainsi une dépréciation, et de plus parce que le contrôle des canaux d'irrigation qui traversaient le quart sud-ouest de la dite section dix étaient essentiels à l'irrigation d'autres parties de son système.

Des efforts répétés ont été faites pour réconcilier ces réclamations contradictoires, mais sans succès jusqu'à tout récemment. Toutefois, un arrangement a été effectué par lequel Madame Fisher consent à renoncer à tout titre au terrain à certaines conditions qu'il est du domaine du Ministre d'accorder et qui sont jugées raisonnables, et à condition de plus qu'il lui soit concédé un autre quart de section en remplacement de celui auquel elle renonce.

Par conséquent, le Ministre demande l'autorisation de permettre à Madame Elizabeth Fisher, à titre d'administratrice de la succession de feu Joseph Fisher, de choisir, libre de toute charge, un autre quart de section disponible pour l'inscription de homestead ou de préemption en considération de sa renonciation à tout droit au dit quart sud-ouest de la section 10, township

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 21 février 1916, représentant que le 5 août 1907 l'inscription de homestead pour le quart nord-ouest de la section 8, township 61, rang 26, à l'ouest du 4e méridien, dans la province d'Alberta, contenant 160 acres, a été accordée à James Chisholm, qui, subséquemment, le 18 novembre 1908, a donné une hypothèque pour \$309.95 à la Compagnie de chemin de fer Pacifique Canadien, couvrant une avance de ce montant faite à M. Chisholm et qui devint une charge sur le terrain ;

Le homesteader, James Chisholm, ayant négligé de remplir les obligations de homestead, et l'annulation de l'inscription ayant été demandée, la dite inscription a été annulée à défaut de défense et une nouvelle inscription a été accordée le 29 juillet 1911 à un certain James Rimmer, laquelle inscription prime encore ;

L'inscription à James Rimmer lui a été accordée par inadvertance et erronément, car d'après les dispositions de la *Loi des terres fédérales* le détenteur de l'hypothèque (la Compagnie du chemin de fer Pacifique Canadien) avait droit à la patente du terrain en y plaçant un autre colon, et si la patente pour le quart de section en question ne peut être accordée, la compagnie a droit à un autre quart de section ;

La compagnie a choisi le quart nord-ouest de la section 14, township 9, rang 30, à l'ouest du 2e méridien, dans la province de la Saskatchewan, contenant 159 acres, qui lui était nécessaire pour l'approvisionnement d'eau d'Assiniboia et qui est disponible à cette fin, ce terrain ayant été cédé à la compagnie, sur paiement de la somme de \$1,000, par un certain Carl Mollberg qui en avait obtenu l'inscription en préemption ;

Le Ministre ajoute que les deux quarts de section ci-dessus mentionnés ont été inspectés et évalués par des fonctionnaires du Département de l'Intérieur, le quart nord-ouest de la section 8, township 61, rang 26, à l'ouest du 4e méridien, \$10 l'acre, et le quart nord-ouest de la section 14, township 9, rang 30, à l'ouest du 2e méridien, à \$25 l'acre. La Compagnie de chemin de fer Pacifique Canadien a remis au Département la somme de \$1,375.00, soit la différence dans la valeur de ces terrains, moins la somme de \$1,000 payée par la compagnie au premier inscrit pour le quart nord-ouest de la section 14, township 9, rang 30, à l'ouest du 2e méridien, et a aussi acquitté l'hypothèque sur le quart nord-ouest de la section 8, township 61, rang 26, à l'ouest du 4e méridien, —

Le Ministre recommande que cet échange soit confirmé en vertu des dispositions de l'article 76 de la *Loi des terres fédérales*, et qu'à la Compagnie de chemin de fer Pacifique Canadien, soient délivrées les lettres patentes du dit quart nord-ouest de la section 14, township 9, rang 30, à l'ouest du 2e méridien, pour remplacer le dit quart nord-ouest de la section 8, township 61, rang 26, à l'ouest du 4e méridien, terrain auquel la compagnie avait droit à titre de créancier statutaire.

Le comité agréé cette recommandation et la soumet pour approbation.

36-4 RODOLPHE BOUDREAU,  
Greffier du Conseil privé.

## DEMANDES AU PARLEMENT.

## CHAMBRE DES COMMUNES.

## RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

## Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

## Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion

de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

## Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

- |  |           |
|--|-----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$ 100 00 |
| (b) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième .....     | 100 00    |
| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session.....                                     | 200 00    |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000 et n'excède pas \$500,000.....                           | 100 00    |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000.....                          | 150 00    |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000.....                        | 200 00    |
| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000.....                      | 300 00    |
| (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000 et n'excède pas \$2,000,000.....                       | 400 00    |
| (i) Pour chaque million ou fraction de million de dollars additionnel.....   | 100 00    |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,

Greffier des Communes.

## RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,  
Greffier du Sénat.

d'un avis dans la *Gazette du Canada* ; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

4. *Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommiss ; une compagnie de prêt ; ou une compagnie industrielle*, sans pouvoirs exclusifs quelconques :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

#### CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit"

#### CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

#### SENAT.

#### SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

*Extract from the LONDON GAZETTE, 28th January, 1916.*

AT THE COURT AT BUCKINGHAM PALACE,  
THE 27TH DAY OF JANUARY, 1916.

PRESENT :

THE KING'S MOST EXCELLENT MAJESTY IN COUNCIL.

WHEREAS by the Aliens Restriction (Consolidation) Order, 1914 (hereinafter referred to as the Principal Order), the Aliens Restriction (Belgian Refugees) Order, 1914, the Aliens Restriction (Amendment) Order, 1915, and other Orders in Council, His Majesty has been pleased to impose restrictions on aliens, and to make various regulations for carrying those restrictions into effect ;

And whereas it is expedient to amend and extend the provisions of those Orders in manner hereinafter appearing,—

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, as follows :—

*Extension of Article 19 of Principal Order.*

1. As from the fourteenth day of February, nineteen hundred and sixteen, Article 19 of the Principal Order (which imposes certain requirements as to registration of aliens residing in prohibited areas) shall be extended so as to impose the same requirements as respects aliens, wherever resident ; and accordingly that Article shall

have effect as though the words "residing in a prohibited area, and an alien enemy," were omitted therefrom :

Provided that—

(a) a Secretary of State may by order direct that in any areas specified in the said Article as amended by this Article shall not apply in respect of that area to alien friends resident in the area at the date when this Article comes into operation ; and

(b) the said Article as amended by this Article shall not apply in the case of Belgian refugees.

*Additional Restrictions on Aliens in respect of Prohibited Areas.*

2. The following article shall, as from the date fixed thereunder, be substituted for Article 2 of the Aliens Restriction (Amendment) Order, 1915 :—

(1) As from such date as may be fixed by order of a Secretary of State an alien shall not, without the special permission of the Registration Officer, enter or be in any prohibited area unless he has in his possession an identity book obtained in pursuance of this Order and duly filled in and attested .

Provided that—

(a) where an alien is at the date of this Order resident and duly registered in a prohibited area, this provision shall not apply to him in respect of that area so long as he is resident therein.

(b) a Secretary of State may exempt from the provisions of this Article any class of aliens, where he is satisfied that satisfactory means are provided for their identification, other than the possession of an identity book ; and

(c) an alien coming from any place out of the United Kingdom and landing in the United Kingdom without an identity book may, subject to the provisions of the Principal Order, be allowed to proceed to his destination in the United Kingdom if the passport or other document with which he is required to be furnished on landing in the United Kingdom contains, or if he supplies, such of the particulars contained in the schedule to this Order as may be required by an aliens officer ; but any such alien shall proceed directly to his destination, and on arriving there shall, within twenty-four hours, comply with all the provisions which are applicable to him of the Principal Order, as amended by any subsequent Order, including this Order ; and

(d) this Article shall not apply to an alien who enters or is in a prohibited area for the sole purpose of immediate embarkation at a port therein ; and

(e) this Article shall not apply to an alien who appears under the age of eighteen and is in the care of some other person who is over that age.

If any alien when so required by any officer, or by any soldier or sailor engaged on sentry, patrol or other similar duty, or by any aliens officer or police constable, fails to produce his identity book at any time when he is required to be in possession of the same under this Article, he may, without prejudice to any other penalty, be detained pending the making of enquiries as to his identity, and whilst so detained shall be deemed to be in legal custody.

(2) Subject to the special or general instructions of a Secretary of State, any alien who has after this Article comes into operation entered a prohibited area in which he was not resident at the date of this order may be ordered by the registration officer for that area to leave the area forthwith, and not to enter that area subsequently without his special permission ; any such order shall be entered in the alien's identity book, and the alien shall comply with the order.

(3) Where any such special permission of a registration officer, as aforesaid, has been granted subject to any conditions, and the person to whom it is granted fails to comply with any such condition, he shall be deemed to be guilty of a contravention of the Principal Order.

(4) This Article shall have effect as if it were included in Part II of the Principal Order, and that Order shall have effect accordingly.

*Identity Books.*

3. An identity book shall be in the form described in the schedule to this order, and the provisions contained in that schedule shall have effect with respect to identity books.

If any person uses for the purposes of this Order an identity book relating to any person other than himself, or, in filling in the particulars contained in an identity book, or for the purpose of obtaining an identity book, makes any false statement or false representation, he shall be deemed to have acted in contravention of the Principal Order.

*Duties of Hotelkeepers, &c.*

4. (1) Article three of the Aliens Restriction (Amendment) Order 1915, shall have effect as though the following provisions were substituted for subsections (1) to (4) inclusive thereof :—

3.—(1) It shall be the duty of the keeper of every hotel, inn, boarding-house, and lodging-house, to keep a register of all persons over the age of fourteen years staying at the hotel, inn, boarding-house, or lodging-house, who are aliens.

The keeper of every such hotel, inn, boarding-house, or lodging-house shall, as soon as may be after any such person comes to stay at the hotel, inn, boarding house, or lodging-house, enter his name and nationality in the register, together with the date of his arrival ; and on the departure of any such person, he shall, as soon as may be, enter the date of his departure and his destination on departure in the register, and he shall also enter in the register from time to time such other particulars as may be prescribed by a Secretary of State, and if the keeper of an hotel, inn, boarding-house, or lodging-house, fails to comply with any of the foregoing provisions of this Article, or if he makes any entry in any such register which he knows or could by the exercise of reasonable diligence have ascertained to be false, he shall be deemed to be guilty of a contravention of the Principal Order.

(2) The keeper of every hotel, inn, boarding-house, or lodging-house, shall also, if directions for the purpose are issued by a Secretary of State, make to the registration officer of the registration district in which the hotel, inn, boarding-house, or lodging-house is situate, such returns as to the persons staying at the hotel, inn, boarding-house or lodging-house, at such times or intervals, and in such form as may be specified in such directions, and if he fails to do so, or makes any false return, he shall be deemed to be guilty of a contravention of the Principal Order.

(3) It shall be the duty—

(a) of the keeper of every hotel, inn, boarding-house, and lodging-house, with a view to ascertaining whether any person staying at the hotel, inn, boarding-house or lodging-house is or is not an alien, to require every person (whether an alien or not) who stays at the hotel, inn, boarding-house, or lodging-house to furnish to him in such form as may be prescribed by the Secretary of State the particulars contained in that form ; and

(b) of every person (whether an alien or not) to furnish the said particulars when so required.

If the keeper of any hotel, inn, boarding-house or lodging-house fails to require any person staying at the hotel, inn, boarding-house or lodging-house to furnish such information as aforesaid, he shall be deemed to be guilty of a contravention of the Principal Order ; and if any person staying at the hotel, inn, boarding-house or lodging-house fails to give any information when so required, or gives any false information, he shall be deemed to be guilty of a contravention of the Principal Order.

(4) Every register kept under this Article, and all particulars furnished under this Article, shall at all reasonable hours be open for inspection by any officer of police or by any person authorized by a Secretary of State.

manager or secretary, or any other person charged with the management of the hostel or boarding-house, shall, whether he receives payment or not, be deemed to be the keeper thereof.

## ORDERS IN COUNCIL.

[493]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 3rd day of March, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 29th February, 1916, from the Minister of the Interior, submitting that William Creighton was permitted to locate South African Volunteer Bounty Scrip upon the east  $\frac{1}{2}$  of Section 23, Township 75, Range 15, west of the 5th Meridian, on the 26th June, 1911;

It would appear from evidence furnished that Mr. Creighton has performed the necessary residence duties with the exception of a term of three months and that he has made improvements consisting of thirty acres of cultivation, house, stable,  $2\frac{3}{4}$  miles of fencing and a well;

The Minister submits the annexed copies of medical certificates from J. F. Brander, M.D., and M. E. Hall, M.D., stating that Mr. Creighton is suffering from a progressive disease of both eyes and also chest trouble,—

Under the circumstances, the Minister recommends that the residence requirements of The Dominion Lands Act be dispensed with in this case, under the authority of subsection 2 of section 20 of the Act, so that free patent may be issued to Mr. Creighton for the half section above described, upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

[288]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 12th day of February, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 7th February, 1916, from the Minister of the Interior, submitting that the Superintendent of School Lands, Winnipeg, has reported that after consultation with the several Inspectors of School Lands, he is strongly of the opinion that it would be in the interests of the School Lands Endowment Funds to hold a series of Auction Sales of School Lands in the Provinces of Manitoba, Saskatchewan and Alberta during the coming spring or in the early part of the summer.

Before taking any final action in the matter, the Minister consulted the Premiers of the three provinces as to the advisability of holding the sales referred to, and they have each expressed their concurrence and have stated that in their opinion it would be an opportune time to place some of these lands on the market.

It is proposed to hold the auction sales at the following points :—

Glenella, Manitoba.	Indian Head, Saskatchewan
Dauphin, “	Moosejaw, “
Rosburn, “	Wymark, “
	Kindersley, “
Kamsack, Saskatchewan.	
Redvers, “	Carmangay, Alberta.
Moosomin, “	Vulcan, “
Broadview, “	Munson, “

It is represented to the Minister that in view of the phenomenal crop of last season and of the good prices prevailing, and also of the strong demand existing for these lands, that the sales should realize excellent prices.

As the Minister concurs in this view, and as he is of the opinion that it would be in the interests of the Educational Endowment Funds of the three provinces mentioned to place some of the School Lands on the market, as no general sales have been held for the past three years, he recommends that he be authorized to have auction sales of School Lands held at the points before mentioned at dates to be determined later, but which would probably begin in the early part of June, the sales to be subject to the provisions of The Dominion Lands Act relating to sales of School Lands.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

And whereas the adjustment of this northwest boundary has now been arranged satisfactorily with the Department of Indian Affairs, and plan and description of the reserve have been prepared ;

And whereas the Minister of the Interior states that the lands are available for the purpose, according to the records of the Department of the Interior,—

Therefore His Royal Highness the Governor General in Council is pleased to order and it is hereby ordered that all those portions of Townships 15 and 16, in Ranges 6 and 7, east of the Principal Meridian, in the Province of Manitoba, shown outlined in red on the accompanying plan and not covered by the waters of Broken Head River, reserving thereout and therefrom the most northerly 5 chains and 19 links in perpendicular width of river lot numbered 2 and all of river lot numbered 3, be withdrawn from the operation of The Dominion Lands Act, and be set apart as a reserve for the Indians, said lands containing an area of 13,720 acres, more or less, less the area covered by the said waters of Broken Head River, and as shown outlined in pink on the plan hereto attached.

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 5th February, 1916, from the Minister of the Interior, submitting that an application has been made to the Department of the Interior by Mr. Henry Toke Munn on behalf of the Arctic Gold Exploration Syndicate, Limited, whose head office is in Toronto, Ontario, to purchase a parcel of unsurveyed land situate on Bylot Island, in Baffin Bay, in the Arctic Seas, in the Dominion of Canada, in approximate north latitude of 72° 53', approximate west longitude of 76° 15', situate at the junction of a creek flowing into Button Harbour with the south shore of the said Island and about three-quarters of a mile east of the point of land known as Button Point, and which may be more particularly described as follows :—

Beginning at the intersection of the right bank of the said creek with the said south shore of the said Island, thence in a northerly direction, following the said right bank of the said creek to a point in a line drawn due east from a point distant fourteen chains and fourteen links due north, from the said intersection of the said bank of the creek with the said shore line, thence due west a distance of fourteen chains and fourteen links, thence due south to intersection with the said south shore of the said Island, thence in an easterly direction, following the said south shore to the place of commencement, and containing by admeasurement twenty acres more or less, and as shown outlined in pink on the sketch hereto attached.

The Minister is of the opinion—the parcel of land applied for being available for the purpose, according to the records of the Department of the Interior—that the application should be favourably considered, and he therefore, recommends that the land above described be sold to the said company at the rate of \$1.00 an acre, and that upon payment therefor being remitted to the Department of the Interior, letters patent for the said land be issued to the Arctic Gold Exploration Syndicate, Limited, subject, however, to such letters patent containing, in addition to the usual reservations and provisos in letters patent for grants of Dominion Lands, a proviso to the effect that the Surveyor General of Dominion Lands may, at any time, cause a survey to be made of the lands granted and that his decision as to the location of the grant and of its boundaries and the extent of the grant shall be final, whether it does or does not agree with the description in the letters patent.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

## AT THE GOVERNMENT HOUSE AT OTTAWA

Tuesday, the 15th day of February, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 3rd February, 1916, from the Minister of the Interior, stating that representations have been made to the Department of the Interior that Muskiki Lake, situated in Township 39, Ranges 26 and 27, west of the 2nd Meridian, in the Province of Saskatchewan, contains certain springs from which sulphate of magnesia (Epsom Salts) rises in solution ; that the waters of the lake have become impregnated with this salt ; and that it has been precipitated in the form of crystals in the bed of the lake.

That application has been submitted by J. O. Carss, LL.B., Barrister of Ottawa, on behalf of a company which is being organized, for permission to acquire under lease for a term of years the right to the sulphate of magnesia in the bed of this lake, which contains an area of about eight square miles, and the applicant states that in case his application is favourably considered, a plant for the utilization of this product will be established, capable of producing for shipment from fifty to one hundred cars of the product during the first year.

That the reports on file in the Department of the Interior appear to indicate that the lake is very shallow ; that it is situated in a hollow, with gently sloping sides ; that it is more than one hundred feet below the general level of the country ; that as it has no outlet, it is not capable of being drained ; and that as the waters of the lake hold in solution large quantities of mineral salts, the water cannot be used for domestic, irrigation or steam purposes, and is therefore worthless as water.

That an analysis made by Dr. F. T. Shutt, Dominion Chemist, of several samples of water taken from this lake, shows that it contains from 3.99 per cent. to 6.35 per cent. of magnesia, the mineral for which application has now been made.

That it would appear from the reports received that this lake does not contain large quantities of the mineral applied for, that owing to the fact that sulphate of magnesia is one of the cheapest of the salts, its extraction could only be undertaken with any hope of commercial success over a very much larger area than contained in an ordinary mineral claim ; and as the waters and bed of the lake appear to be of no other value, the Minister recommends that he be authorized to issue a lease in favour of the applicant of such rights as the Crown may possess to the sulphate of magnesia deposits over the area covered by the waters of this lake, subject, however, to the following special terms and conditions :—

1. The term of the lease to be five years, subject to renewal for further terms of five years each, provided the conditions of the lease have been fully complied with.

2. The rental to be at the rate of 10 cents an acre per annum, payable yearly in advance.

3. The lease to be subject to such rights as may be granted to the waters of the lake.

4. The lessee to instal within one year from the date of the lease machinery and plant to the value of at least \$5,000 necessary for winning, collecting and refining the deposits of sulphate of magnesia claimed to exist, and to furnish evidence to the satisfaction of the Minister of the Interior of the installation of such machinery and plant within the same period.

5. That the lessee shall at the end of the second and each succeeding year of the term of the lease furnish evidence to show that he has expended the sum of at least \$2,500 during the year in actual operations, with a view to acquiring and treating the salt covered by the lease, and in case active operations on the location for this purpose are at any time suspended for a period of six months, the lease shall be subject to immediate cancellation in the discretion of the Minister of the Interior.

6. Failure to comply with any of the conditions set out in the lease which may be issued shall render that instrument subject to immediate cancellation in the discretion of the Minister.

The Committee concur in the foregoing recommendation and submit the same for approval.

THE Committee of the Privy Council have had before them a report, dated 29th January, 1916, from the Minister of the Interior, stating that by an Order in Council of the 11th March, 1915, provision was made that in view of the difficulties of access to mineral claims situated in the northern portions of the Provinces of Manitoba, Saskatchewan and Alberta, and the exceptional conditions brought about by the war, the recorded owners of mineral claims acquired under the regulations for the disposal of quartz mining claims, situated in the northern portions of the provinces above enumerated (that is, those portions lying north of the southern boundary of Township 17 in the Province of Manitoba, those portions lying north of the southern boundary of Township 47 in the Province of Saskatchewan, and those portions lying north of the southern boundary of Township 60 in the Province of Alberta) be granted an extension of time for one year from the date of that Order in Council, within which to furnish evidence of the required expenditure in mining operations upon such locations, as required by section 41 of the said regulations for the disposal of quartz mining claims;

The Minister further states that representations have been made to the Department of the Interior that the obstacles to the development of mineral claims in the northern portions of the Provinces above enumerated have not been removed, and that the difficulties of operation have not been lessened,—

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 25th day of February, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

**T**HE Committee of the Privy Council have had before them a report, dated 21st February, 1916, from the Minister of the Interior stating that conflicting claims have been made with respect to the southwest quarter of Section ten (10), Township twenty (20), Range two (2), west of the Fifth (5th) Meridian, by Elizabeth Fisher, as administratrix of the late Joseph Fisher, rancher, of Millarsville, in the Province of

Alberta, and Robert James Price, farmer, of Black Diamond, in the same Province.

The Minister reports as follows in reference thereto, viz:—

The land in dispute is claimed by the Fisher estate under a sale to Joseph Fisher by authority of an Order in Council, dated 21st May, 1908. The land was sold at the rate of \$3.00 per acre, subject to a rebate representing the cost of certain irrigation works to be constructed thereon and upon adjacent lands and formed part of a tract of two thousand acres sold to the late Joseph Fisher at the same rate and subject to the same conditions. The land has been paid for in full and the conditions of the sale have been fulfilled.

Robert J. Price claims the said quarter section under homestead entry dated 18th May, 1906, which entry was cancelled on the 14th November, 1907, but was reinstated on the 27th October, 1911. Mr. Price has been in continuous residence on the land since about the date of his original entry and has placed valuable improvements thereon in the shape of buildings, fences, wells, breaking, clearing and cultivation. Mr. Fisher constructed an irrigation ditch across the quarter section as part of his irrigation project, but has not otherwise occupied or improved the land.

When the land was sold to Joseph Fisher in May, 1908, Mr Price's homestead entry had been cancelled and the land was at that time available for the purpose of the sale, notwithstanding the fact that Mr. Price was still in residence on the land and that he had refused to remove therefrom.

It subsequently became apparent that Mr. Price's claim to the land had not been given sufficient consideration at the time his entry was cancelled and his rights were accordingly recognized by the reinstatement of his entry in October, 1911. In the meantime, however, the land had been legally sold to Mr. Fisher and paid for by him, so that the tardy recognition of Mr. Price's claim was unjust to Mr. Fisher whose irrigation project was thus made less valuable, and, further, because control of the ditches which crossed the southwest quarter of the said section ten was essential to the irrigation of other portions of his irrigation project.

Repeated efforts have been made to reconcile these conflicting claims, but, until very recently, without success. An arrangement has, however, now been made whereby Mrs. Fisher agrees to relinquish all claim to the land upon certain conditions which it is within the power of the Minister to grant and which are considered reasonable, and the further condition that she be granted another quarter section of land in lieu of the one relinquished.

The Minister, therefore, recommends that he be authorized to permit Mrs. Elizabeth Fisher, as administratrix of the estate of the late Joseph Fisher, to select, free of all cost, another quarter section of land of the class available for homestead or pre-emption entry, in consideration of her relinquishment of all claim as such administratrix to said southwest quarter of Section ten, Township twenty, Range two, west of the First Meridian, such selection to be made within one year from this date.

The Committee concur in the above recommendation and submit the same for approval.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR

**T**HE Committee of the Privy Council have had before them a report, dated 21st February, 1916, from the Minister of the Interior, stating that on the 5th day of August, 1907, homestead entry for the northwest quarter of Section 8, Township 61, Range 26, west of the 4th Meridian, in the Province of Alberta, containing 160 acres, was granted to James Chisholm, who subsequently, on the 18th November, 1908, executed a

lien for \$309.95 in favour of the Canadian Pacific Railway Company, covering an advance of that amount to Mr. Chisholm and which was recorded against the land.

That the homesteader, James Chisholm, having failed to proceed with the necessary homestead duties, and application for the cancellation of the entry having been made, in default of a defence, the entry was cancelled and a new entry granted on the 29th July, 1911 to one James Rimmer, which entry still stands.
